(4) For the purpose of establishing the ratios to be certified by the Dominion Statistician under this clause in respect of the value of gross national product per capita, any part of a dollar included in the value of gross national product per capita shall be expressed as a decimal fraction of five digits after the decimal point, and, in any certificate provided by the Dominion Statistician under this clause, the ratios therein mentioned in respect of the population of the Province and of the value of gross national product per capita shall be expressed as the percentage that the said population and value, respectively, for the later relevant year, are of the said population and value, respectively, for the earlier relevant year and a fractional part of one per cent. shall be expressed as a decimal fraction of five digits after the decimal point.

DEDUCTIONS IN RESPECT OF SUCCESSION DUTY CREDITS

5.—(1) As the Province does not in this agreement undertake to refrain from levying succession duties, the Province will pay to Canada an amount equal to the amount of all succession duty credits arising out of deaths occurring during the five fiscal years mentioned in clause one, the payment to be made

- (a) by deductions, as provided in this clause, from amounts otherwise payable by Canada to the Province under this agreement, and
- (b) by payments by the Province to Canada as provided in this clause.

(2) Forthwith after June 15 in each fiscal year mentioned in clause one, the Minister of National Revenue of Canada will furnish to the Province his certificate setting forth the total amount of succession duty credits allowed by Canada in the three fiscal years immediately preceding the said fiscal year irrespective of the times of the deaths out of which the said credits arose and an amount equal to one-third of the total amount of the succession duty credits set out in the certificate shall be deducted as herein-after provided from the amount payable by Canada to the Province under clause seven in that fiscal year, it being considered that the amount so computed will approximate the amount of the succession duty credits that will eventually be allowed by Canada in respect of deaths occurring in that year.

(3) In each of the fiscal years mentioned in clause one, there shall be deducted from each quarterly payment to be made in that year under

paragraph four of clause seven, one-quarter of the amount to be deducted in that year under paragraph two of this clause and the fourth deduction in respect of the fiscal year ending in 1957 shall be made from the amount payable by Canada to the Province under paragraph nine of clause seven.

(4) The amount of any deduction made under paragraph three and the amount to be deducted under that paragraph from the amount payable under paragraph nine of clause seven shall be deducted from the amount payable by Canada to the Province under clause one.

(5) On or before June 15 in the year 1957 and each subsequent year, the Minister of National Revenue of Canada will deliver to the Province his certificate setting forth the amount of succession duty credits allowed by Canada on or before March 31 immediately preceding the delivery of the certificate, arising out of deaths occurring in the five fiscal years mentioned in clause one, and the Province will, on June 30 of that year, pay to Canada the amount, if any, by which

(a) the aggregate of the succession duty credits as disclosed in the certificate

exceeds

(b) the aggregate of the deductions made pursuant to paragraph three and the payments theretofore made under this paragraph,

with interest on the said amount at the rate of 3% per annum from December 31, 1954, to the date of payment.

(6) When the Minister of National Revenue of Canada determines finally the total amount of succession duty credits that Canada may allow as a result of deaths occurring in the five fiscal years mentioned in clause one, he shall furnish to the Province a final certificate setting forth

(a) the total amount of the succession duty credits allowed by Canada as a result of deaths occurring in the five fiscal years mentioned in clause one, and

(b) the aggregate of the deductions made pursuant to paragraph three and the payments, if any, by the Province pursuant to paragraph five,

and if the amount specified in subparagraph (a) exceeds the amount specified in subparagraph (b), the Province will forthwith pay to Canada the amount of the excess with interest thereon at the rate of 3% per annum from December 31, 1954, to the date of payment, and if the amount specified in subparagraph (b) exceeds the amount specified in subparagraph (a), Canada will forthwith pay to the Province the amount of the excess with interest thereon at 3% per annum from December 31, 1954, to the date of payment.

(7) In this clause "succession duty credits" means the amounts that have been and will hereafter be allowed by Canada as a deduction from succession duty otherwise payable by any person under The Dominion Succession Duty Act in respect of succession duties paid to the Province.

DEDUCTION OF CERTAIN CORPORATION INCOME TAX REVENUE LOSSES FROM THE PAYMENT

6.—(1) Where, during the period commencing on January 1, 1952 and ending on December 31, 1956,

(a) the whole or any part of the business or undertaking or of the property or assets employed in the business or undertaking of a corporation that is subject to tax under The Income Tax Act is acquired

(i) by Her Majesty in right of the Province or by any agent or servant of Her Majesty in such right,

- (ii) by any municipality or any public authority in the Province the income of which is exempt from taxation under the said Act, or
- (iii) by any incorporated company the income of which is exempt from taxation under paragraph (d) of subsection one of section fifty-seven of the said Act, or any enactment in the place thereof to the like effect, by reason of ownership of stock by Her Majesty in right of the Province or any agent, servant, municipality, or public authority aforesaid,

with the result that the said corporation ceases to carry on business, or

- (b) the stock of a corporation is so acquired with the result that the income of the corporation thereupon becomes exempt from taxation under paragraph (d) of subsection one of section fifty-seven of the said Act or any enactment in place thereof to the like effect, or
- (c) voting shares of a corporation are so acquired with the result that a majority of the said shares is held by Her Majesty in right of the Province or any agent, servant, municipality, public authority, or incorporated company aforesaid, or
- (d) the whole or any part of the business or undertaking or of the property or assets of a corporation as aforesaid is so acquired or is acquired by a corporation the majority of the voting shares of which are held by Her Majesty in right of the Province or any agent, servant, municipality, public authority, or incorporated company aforesaid, but the corporation does not as a result cease to carry on business,

the loss of revenue under the said Act, computed as provided in this clause, sustained by Canada as a result of the said acquisition in respect of any taxation year or part of a taxation year of the said corporation during the remainder of the said period after the said acquisition, may be deducted in the manner hereinafter provided from the payments remaining to be paid by Canada to the Province under this agreement or shall as hereinafter provided be paid by the Province to Canada.

(2) For the purposes of this clause, in the case of an acquisition mentioned in subparagraph (a) or (b) of paragraph one of this clause, the loss of revenue sustained by Canada in respect of any taxation year of a corporation shall be the amount of the tax that Canada would have been entitled to receive under The Income Tax Act in respect of the said year but for such acquisition, at the rate of tax applicable in the said year, if the income of the corporation during the said year had been the average annual income of the corporation during the last three complete taxation years prior to the said acquisition, or if the business or undertaking of the corporation was not carried on or operated during the whole of the said three years, the average annual income of the corporation during such portion thereof as the business was carried on or operated.

(3) For the purposes of this clause in the case of an acquisition mentioned in subparagraph (c) of paragraph one of this clause, the loss of revenue sustained by Canada in respect of any taxation year of a corporation shall be the amount by which

- (a) the amount of the tax that Canada would have been entitled to receive in respect of the said year but for such acquisition, computed in the manner described in paragraph two of this clause

exceeds

- (b) the tax that Canada actually becomes entitled to receive under the said Act from the corporation in respect of the said taxation year.

(4) For the purposes of this clause, in the case of an acquisition mentioned in subparagraph (d) of paragraph one of this clause, the loss of revenue sustained by Canada shall be the amount by which the tax actually received by Canada under the said Act from the corporation in respect of the said year is less than the tax Canada would have been entitled to receive but for the acquisition and if the Province and Canada do not agree as to the said amount, it shall be determined by a chartered accountant to be appointed for such purpose by the Minister of Finance of Canada on the recommendation of the President of the Canadian Institute of Chartered Accountants at the request of the Province or Canada.

(5) For the purposes of this clause the amount of the loss of revenue sustained by Canada in respect of a taxation year of a corporation that commences before and ends on or after January 1, 1957, shall be that proportion of the amount of the loss of revenue sustained by Canada in respect of the whole of the said taxation year computed as provided in paragraph two, three or four of this clause, as the case may be, that is the same as the proportion that the number of days in the said taxation year before the said date is of the number of days in the whole of the said year.

(6) The amount of the loss of revenue referred to in paragraph one of this clause sustained by Canada in respect of any taxation year or part of a taxation year of a corporation shall, upon being determined, be deducted from the amount payable under clause one in respect of the fiscal year therein mentioned in respect of which the next following quarterly instalment payable under clause seven is payable, by deducting the said amount in equal shares from the quarterly instalments remaining payable under clause seven at the time of the said determination in respect of the said year.

(7) The Province will pay to Canada an amount equal to any loss of revenue sustained by Canada referred to in paragraph one of this clause that has not been deducted from instalments payable under this agreement by Canada to the Province in the manner hereinbefore in this clause provided, forthwith after payment of the last such instalment if the amount is then determined, or if the amount is not then determined forthwith after the amount thereof is determined.

(8) This clause shall not apply in respect of the acquisition of the business, undertaking, assets, or stock or a company whose chief business is determined by the Minister of National Revenue of Canada to be the generation for distribution to, or the distribution to the public of electrical energy, gas or steam.

except that the first certificate furnished under this paragraph need not set forth the said ratios in respect of the calendar year 1950.

(2) The first certificate issued under paragraph one shall describe the difference, if any, between

- (b) the methods and concepts described in the book entitled "National Accounts, Income and Expenditure, 1926-1950",

and each subsequent certificate issued under paragraph one shall describe the difference, if any, between

(3) The amount payable by Canada to the Province under clause one in respect of any fiscal year therein mentioned shall be estimated forthwith after the certificate is furnished under paragraph one in that fiscal year, and, for that purpose, the calculations provided for in paragraph two of clause four shall be made on the basis of the information in that certificate.

(4) Subject to the provisions of this clause and to the deductions provided for in clauses five and six, Canada will pay to the Province on account of the amount finally to be paid in respect of a fiscal year the amount estimated in accordance with paragraph three of this clause to be payable in respect of that fiscal year, in quarterly instalments in the proportions and on the days following:

twenty-five per cent on June 30, of the fiscal year,
 twenty-five per cent on September 30, next following,
 twenty-five per cent on December 31, next following,
 twenty-five per cent on March 31, next following,

except that the instalments that would otherwise be payable on June 30 and September 30, 1952 shall be paid forthwith after the execution of this agreement and the instalment that would otherwise be payable on March 31, 1957 shall be determined and paid in accordance with paragraph nine.

(5) The estimated amount payable under clause one in respect of a fiscal year therein mentioned commencing in the calendar year 1952, 1953, 1954 or 1955, shall be recalculated forthwith after the fifteenth day of June in the next following fiscal year on the basis of the relevant ratios of population and of values of gross national product per capita set out in the certificate of the Dominion Statistician furnished under paragraph one of this clause in the said next following fiscal year.

(6) If the amount estimated to be payable under clause one recalculated in accordance with paragraph five is greater than the said amount as estimated under paragraph three, Canada will be liable to pay to the Province, or if less, the Province will be liable to pay to Canada, at the time for payment of the instalment under this clause next following the said recalculation, the amount of the difference; and if the amount of the difference is payable by the Province to Canada, Canada may deduct the said amount from the said following instalment or any subsequent instalment under this agreement.

(7) The Dominion Statistician will, as soon as is possible after February 28, 1957 but not later than April 15, 1957, furnish to the Minister of Finance of Canada and to the Provincial Treasurer of the Province respectively, his certificate setting forth

- (a) the population of the Province and the population of Canada for each of the calendar years 1951, 1952, 1953, 1954 and 1955, computed as provided in subparagraphs (a) and (b), respectively, of paragraph three of clause four, and the ratio that the population of the Province for each of the said years bears to the population of the Province for the year 1948;

- (b) the value of the gross national product in each such calendar year as then estimated by him and the ratio that the said value per capita in each such calendar year bears to the said value per capita in the year 1948 as then estimated by him; and
- (c) the difference, if any, between the methods and concepts employed by him in estimating the values of the gross national product in respect of which the ratios mentioned in subparagraph (b) of this paragraph were established and the methods employed by him in estimating the said values in respect of which were established the ratios previously certified by him pursuant to which
 - (i) the estimated amount payable under clause one in respect of each of the fiscal years mentioned in paragraph five was re-calculated as provided in the said paragraph, and
 - (ii) the estimated amount payable in respect of the fiscal year commencing in the calendar year 1956, was calculated as provided in paragraph three,

and the certificate shall be final and conclusive for the purpose of this agreement.

(8) The total amount payable by Canada to the Province under clause one in respect of the five fiscal years mentioned therein shall be finally calculated forthwith after the certificate is furnished by the Dominion Statistician in accordance with paragraph seven, the said calculations to be made on the basis of the information in the certificate.

(9) Subject to paragraph eleven, Canada will, within fifteen days after the day on which the Dominion Statistician furnishes his certificate under paragraph seven, but not later than April 30, 1957, pay to the Province as a final payment the amount by which

- (a) the total amount payable by Canada calculated under paragraph eight

exceeds

- (b) the aggregate of the payments made on account thereof by Canada to the Province under this Agreement and the amounts, if any, deducted pursuant to clauses five and six,

and payment accordingly shall fully discharge Canada's obligation under clause one.

(10) If the amount specified in subparagraph (b) of paragraph nine exceeds the amount specified in subparagraph (a) thereof, the Province will, on May 15, 1957, pay to Canada an amount equal to the excess.

(11) If on the day on which the final amount is or could otherwise become payable by Canada under paragraph nine any matter affecting the payment by Canada of the final amount or any instalment pursuant to this clause, is before or is about to be submitted to the courts pursuant to clause ten, payment of that amount or that instalment, as the case may be, will be withheld until the matter has been finally decided and the amount in question shall thereafter in whole or in part be paid to the Province or retained by Canada in accordance with the final decision.

(12) For the purpose of establishing the ratios to be certified by the Dominion Statistician under this clause in respect of the value of gross national product per capita, any part of a dollar included in the value of gross national product per capita shall be expressed as a decimal fraction of five digits after the decimal point, and, in any certificate furnished by the Dominion Statistician under this clause, the ratios therein mentioned in respect of the population of the Province and of the value of gross national product per capita shall be expressed as the percentage that the said population and value, respectively, for the later relevant year, are of the

said population and value, respectively, for the earlier relevant year and a fractional part of one per cent shall be expressed as a decimal fraction of five digits after the decimal point.

(13) Any amount payable by the Province to Canada under paragraph ten of this clause or paragraph six of clause five may, if it is not paid, be recovered as a debt due to Canada by way of deduction or set off out of any amount payable by Canada to the Province.

(3) After entry into this agreement, Canada will, before entry into a proposed agreement with another province, if the proposed agreement provides for any variation in the clauses therein that correspond to clause one and clause four not permitted under paragraph one of this clause, furnish a copy of the proposed agreement to the Provincial Treasurer of the Province and if the Provincial Treasurer of the Province has not notified the Minister of Finance of Canada that the Province objects to entry by Canada into the proposed agreement within thirty days after the receipt of the said copy by him, the Province shall be deemed not to object to entry into the proposed agreement by Canada.

(4) Where Canada enters into an agreement with another province after entry into this agreement, Canada will forthwith furnish a copy of such other agreement to the Provincial Treasurer of the Province.

(3) Where one of the parties alleges that the other has contravened or failed to observe a provision of this agreement, the reference shall include a request for the opinion of the court as to the steps, if any, that ought to be taken by either or both of the parties in order to place the parties in the position in which they would have been had there been no such contravention or failure.

(4) Where, upon a reference under paragraph one, the opinion of the Court of Appeal of Ontario (or of the Supreme Court of Canada in the case of an appeal therefrom) discloses that the Province has contravened or failed to observe a provision of this agreement, the Province will promptly take such steps as are necessary to give effect to the opinion of the Court of Appeal of Ontario or the Supreme Court of Canada, as the case may be, and to place the parties in the position in which they would have been had there been no such contravention or failure, and to repay or cause to be repaid any money collected by the Province or a municipality by way of tax in contravention of this agreement; but if the Province fails to do so, Canada may, in the manner prescribed in clause twelve, terminate this agreement or may deduct the amount of any tax imposed or collected in contravention of this agreement from any amount payable by Canada to the Province.

(5) Where, upon a reference under paragraph one, the opinion of the Court of Appeal of Ontario (or of the Supreme Court of Canada in the case of an appeal therefrom) discloses that Canada has contravened or failed to observe a provision of this agreement, Canada will promptly take such steps as are necessary to give effect to the opinion of the Court of Appeal of Ontario or the Supreme Court of Canada, as the case may be, and to place the parties in the position in which they would have been had there been no such contravention or failure; but if Canada fails to do so, the Province may, in the manner prescribed in clause twelve, terminate this agreement forthwith.

11.—(1) The procedure in any reference under the provisions of clause ten shall be governed by the rules of the Court of Appeal of Ontario or otherwise shall be such as the court determines.

(2) The parties hereto agree to supply promptly such information as may be required by the Court of Appeal of Ontario for the purposes of a reference under clause ten and will accept as final and binding upon them the opinions of the Court of Appeal of Ontario in any such reference (or of the Supreme Court of Canada in the case of an appeal therefrom) and agree to accept and be governed, in interpreting and carrying out this agreement, by the opinions of the courts of other provinces (or of the Supreme Court of Canada in the case of an appeal therefrom) concerning a matter submitted to them under any other agreement entered into after January 1, 1952, between Canada and a Province of a like nature and having like purposes to this agreement, to the extent that those opinions may be applied in respect of this agreement.

(3) The parties hereto agree that the government of any other Province that has, after January 1, 1952, entered into an agreement of a like nature and having like purposes to this agreement may appear before the courts and be heard as a party to any proceedings consequent upon a reference under clause ten and the Province will accordingly, within ten days of the day on which a matter is referred to the Court of Appeal of Ontario under clause ten, give notice in writing of the reference to each province that has entered into such an agreement with Canada setting out clearly the matters in issue.

(4) Each party to a reference under this provision shall bear its own costs of the reference.

(5) The Province undertakes that it has procured or will, at the session of its Legislature next ensuing after the execution of this agreement, procure the enactment of such legislation as may be necessary

- (b) to declare, for the purposes of section 37 of the Supreme Court Act, chapter 35 of the Revised Statutes of Canada, 1927, that the opinion of the Court of Appeal of Ontario in respect of a matter referred to it under clause ten is to be deemed a judgment of that court and that an appeal lies therefrom as from a judgment in an action, and
- (c) to enable a Province that has, after January 1, 1952, entered into an agreement of a like nature and having like purposes to this agreement to appear before the courts and be heard as a party in respect of any matter referred to the Court of Appeal of Ontario under clause ten.

TERMINATION AFTER REFERENCE TO COURTS

(4) Notwithstanding that this agreement becomes applicable, *mutatis mutandis*, in respect of a number of fiscal years less than the five fiscal years mentioned in clause one as provided in paragraph three of this clause the amounts payable in respect of the fiscal years during which this agreement continues in full force and effect and the total amount finally payable by Canada in respect of the said fiscal years shall not be finally computed until the times mentioned in paragraphs seven, eight, nine and ten of clause seven and shall then be computed in the manner provided by clause four in respect of each such fiscal year in accordance with the information contained in the certificate of the Dominion Statistician furnished under paragraph seven of clause seven.

 - (i) one half, or
 - (ii) the total amount of duties paid under the laws of the Province and the laws of any other province in respect of all property the succession to which is subject to duty under the said Act

consequent upon that death, divided by the total amount of duty otherwise payable under the said Act consequent upon that death in respect of all successions to property on which duties were paid under the laws of the Province or the laws of any other province,

and in this paragraph "duty otherwise payable" means the duty that would be payable under The Dominion Succession Duty Act if there were no provision in that Act to allow a successor to make a deduction under that Act in respect of succession duties paid to a province, and

(4) For the purpose of establishing the ratios to be certified by the Dominion Statistician under this clause in respect of the value of gross national product per capita, any part of a dollar included in the value of gross national product per capita shall be expressed as a decimal fraction of five digits after the decimal point, and, in any certificate provided by the Dominion Statistician under this clause, the ratios therein mentioned in respect of the population of the Province and of the value of gross national product per capita shall be expressed as the percentage that the said population and value, respectively, for the later relevant year, are of the said population and value, respectively, for the earlier relevant year and a fractional part of one per cent. shall be expressed as a decimal fraction of five digits after the decimal point.

DEDUCTIONS IN RESPECT OF SUCCESSION DUTY CREDITS

5.—(1) As the Province does not in this agreement undertake to refrain from levying succession duties, the Province will pay to Canada an amount equal to the amount of all succession duty credits arising out of deaths occurring during the five fiscal years mentioned in clause one, the payment to be made

- (a) by deductions, as provided in this clause, from amounts otherwise payable by Canada to the Province under this agreement, and
- (b) by payments by the Province to Canada as provided in this clause.

(2) Forthwith after June 15 in each fiscal year mentioned in clause one, the Minister of National Revenue of Canada will furnish to the Province his certificate setting forth the total amount of succession duty credits allowed by Canada in the three fiscal years immediately preceding the said fiscal year irrespective of the times of the deaths out of which the said credits arose and an amount equal to one-third of the total amount of the succession duty credits set out in the certificate shall be deducted as hereinafter provided from the amount payable by Canada to the Province under clause seven in that fiscal year, it being considered that the amount so computed will approximate the amount of the succession duty credits that will eventually be allowed by Canada in respect of deaths occurring in that year.

(3) In each of the fiscal years mentioned in clause one, there shall be deducted from each quarterly payment to be made in that year under

paragraph four of clause seven, one-quarter of the amount to be deducted in that year under paragraph two of that clause and the fourth deduction in respect of the fiscal year ending in 1957 shall be made from the amount payable by Canada to the Province under paragraph nine of clause seven.

(4) The amount of any deduction made under paragraph three and the amount to be deducted under that paragraph from the amount payable under paragraph nine of clause seven shall be deducted from the amount payable by Canada to the Province under clause one.

(5) On or before June 15 in the year 1957 and each subsequent year, the Minister of National Revenue of Canada will deliver to the Province his certificate setting forth the amount of succession duty credits allowed by Canada on or before March 31 immediately preceding the delivery of the certificate, arising out of deaths occurring in the five fiscal years mentioned in clause one, and the Province will, on June 30 of that year, pay to Canada the amount, if any, by which

(a) the aggregate of the succession duty credits as disclosed in the certificate

exceeds

(b) the aggregate of the deductions made pursuant to paragraph three and the payments theretofore made under this paragraph,

with interest on the said amount at the rate of 3% per annum from December 31, 1954, to the date of payment.

(6) When the Minister of National Revenue of Canada determines finally the total amount of succession duty credits that Canada may allow as a result of deaths occurring in the five fiscal years mentioned in clause one, he shall furnish to the Province a final certificate setting forth

(a) the total amount of the succession duty credits allowed by Canada as a result of deaths occurring in the five fiscal years mentioned in clause one, and

(b) the aggregate of the deductions made pursuant to paragraph three and the payments, if any, by the Province pursuant to paragraph five,

and if the amount specified in subparagraph (a) exceeds the amount specified in subparagraph (b), the Province will forthwith pay to Canada the amount of the excess with interest thereon at the rate of 3% per annum from December 31, 1954, to the date of payment, and if the amount specified in subparagraph (b) exceeds the amount specified in subparagraph (a), Canada will forthwith pay to the Province the amount of the excess with interest thereon at 3% per annum from December 31, 1954, to the date of payment.

(7) In this clause "succession duty credits" means the amounts that have been and will hereafter be allowed by Canada as a deduction from succession duty otherwise payable by any person under The Dominion Succession Duty Act in respect of succession duties paid to the Province.

DEDUCTION OF CERTAIN CORPORATION INCOME TAX REVENUE LOSSES FROM THE PAYMENT

6.—(1) Where, during the period commencing on January 1, 1952 and ending on December 31, 1956,

(a) the whole or any part of the business or undertaking or of the property or assets employed in the business or undertaking of a corporation that is subject to tax under The Income Tax Act is acquired

(i) by Her Majesty in right of the Province or by any agent or servant of Her Majesty in such right,

- (ii) by any municipality or any public authority in the Province the income of which is exempt from taxation under the said Act, or
 - (iii) by any incorporated company the income of which is exempt from taxation under paragraph (d) of subsection one of section fifty-seven of the said Act, or any enactment in the place thereof to the like effect, by reason of ownership of stock by Her Majesty in right of the Province or any agent, servant, municipality, or public authority aforesaid,
- with the result that the said corporation ceases to carry on business, or
- (b) the stock of a corporation is so acquired with the result that the income of the corporation thereupon becomes exempt from taxation under paragraph (d) of subsection one of section fifty-seven of the said Act or any enactment in place thereof to the like effect, or
 - (c) voting shares of a corporation are so acquired with the result that a majority of the said shares is held by Her Majesty in right of the Province or any agent, servant, municipality, public authority, or incorporated company aforesaid, or
 - (d) the whole or any part of the business or undertaking or of the property or assets of a corporation as aforesaid is so acquired or is acquired by a corporation the majority of the voting shares of which are held by Her Majesty in right of the Province or any agent, servant, municipality, public authority, or incorporated company aforesaid, but the corporation does not as a result cease to carry on business,

the loss of revenue under the said Act, computed as provided in this clause, sustained by Canada as a result of the said acquisition in respect of any taxation year or part of a taxation year of the said corporation during the remainder of the said period after the said acquisition, may be deducted in the manner hereinafter provided from the payments remaining to be paid by Canada to the Province under this agreement or shall as hereinafter provided be paid by the Province to Canada.

(2) For the purposes of this clause, in the case of an acquisition mentioned in subparagraph (a) or (b) of paragraph one of this clause, the loss of revenue sustained by Canada in respect of any taxation year of a corporation shall be the amount of the tax that Canada would have been entitled to receive under The Income Tax Act in respect of the said year but for such acquisition, at the rate of tax applicable in the said year, if the income of the corporation during the said year had been the average annual income of the corporation during the last three complete taxation years prior to the said acquisition, or if the business or undertaking of the corporation was not carried on or operated during the whole of the said three years, the average annual income of the corporation during such portion thereof as the business was carried on or operated.

(3) For the purposes of this clause in the case of an acquisition mentioned in subparagraph (c) of paragraph one of this clause, the loss of revenue sustained by Canada in respect of any taxation year of a corporation shall be the amount by which

- (a) the amount of the tax that Canada would have been entitled to receive in respect of the said year but for such acquisition, computed in the manner described in paragraph two of this clause

exceeds

- (b) the tax that Canada actually becomes entitled to receive under the said Act from the corporation in respect of the said taxation year.

(4) For the purposes of this clause, in the case of an acquisition mentioned in subparagraph (d) of paragraph one of this clause, the loss of revenue sustained by Canada shall be the amount by which the tax actually received by Canada under the said Act from the corporation in respect of the said year is less than the tax Canada would have been entitled to receive but for the acquisition and if the Province and Canada do not agree as to the said amount, it shall be determined by a chartered accountant to be appointed for such purpose by the Minister of Finance of Canada on the recommendation of the President of the Canadian Institute of Chartered Accountants at the request of the Province or Canada.

(5) For the purposes of this clause the amount of the loss of revenue sustained by Canada in respect of a taxation year of a corporation that commences before and ends on or after January 1, 1957, shall be that proportion of the amount of the loss of revenue sustained by Canada in respect of the whole of the said taxation year computed as provided in paragraph two, three or four of this clause, as the case may be, that is the same as the proportion that the number of days in the said taxation year before the said date is of the number of days in the whole of the said year.

(6) The amount of the loss of revenue referred to in paragraph one of this clause sustained by Canada in respect of any taxation year or part of a taxation year of a corporation shall, upon being determined, be deducted from the amount payable under clause one in respect of the fiscal year therein mentioned in respect of which the next following quarterly instalment payable under clause seven is payable, by deducting the said amount in equal shares from the quarterly instalments remaining payable under clause seven at the time of the said determination in respect of the said year.

(7) The Province will pay to Canada an amount equal to any loss of revenue sustained by Canada referred to in paragraph one of this clause that has not been deducted from instalments payable under this agreement by Canada to the Province in the manner hereinbefore in this clause provided, forthwith after payment of the last such instalment if the amount is then determined, or if the amount is not then determined forthwith after the amount thereof is determined.

(8) This clause shall not apply in respect of the acquisition of the business, undertaking, assets, or stock or a company whose chief business is determined by the Minister of National Revenue of Canada to be the generation for distribution to, or the distribution to the public of electrical energy, gas or steam.

MANNER OF PAYMENT

7.—(1) For the purpose of estimating the amount payable in respect of a fiscal year mentioned in clause one, the Dominion Statistician will, not later than the fifteenth day of June in the said fiscal year, furnish to the Minister of Finance of Canada and to the Provincial Treasurer of the Province respectively, his certificate setting forth

- (a) the ratio that the population of the Province for each of the two calendar years preceding the said fiscal year bears to the said population for the calendar year 1948 as the said ratio is then estimated by him, and
- (b) the ratio that the value of the gross national product per capita in each such calendar year bears to the value of the gross national product per capita in the calendar year 1948, as the said ratio is then estimated by him,

except that the first certificate furnished under this paragraph need not set forth the said ratios in respect of the calendar year 1950.

(2) The first certificate issued under paragraph one shall describe the difference, if any, between

- (a) the methods and concepts employed by the Dominion Statistician in estimating the values of gross national product in respect of which the ratios mentioned in subparagraph (b) of paragraph one were established, and
- (b) the methods and concepts described in the book entitled "National Accounts, Income and Expenditure, 1926-1950",

and each subsequent certificate issued under paragraph one shall describe the difference, if any, between

- (c) the methods and concepts mentioned in subparagraph (a), and
- (d) the methods and concepts employed in estimating the said values in respect of which the ratios set out in the last preceding certificate issued by him under paragraph one were established.

(3) The amount payable by Canada to the Province under clause one in respect of any fiscal year therein mentioned shall be estimated forthwith after the certificate is furnished under paragraph one in that fiscal year, and, for that purpose, the calculations provided for in paragraph two of clause four shall be made on the basis of the information in that certificate.

(4) Subject to the provisions of this clause and to the deductions provided for in clauses five and six, Canada will pay to the Province on account of the amount finally to be paid in respect of a fiscal year the amount estimated in accordance with paragraph three of this clause to be payable in respect of that fiscal year, in quarterly instalments in the proportions and on the days following:

twenty-five per cent on June 30, of the fiscal year,
 twenty-five per cent on September 30, next following,
 twenty-five per cent on December 31, next following,
 twenty-five per cent on March 31, next following,

except that the instalments that would otherwise be payable on June 30 and September 30, 1952 shall be paid forthwith after the execution of this agreement and the instalment that would otherwise be payable on March 31, 1957 shall be determined and paid in accordance with paragraph nine.

(5) The estimated amount payable under clause one in respect of a fiscal year therein mentioned commencing in the calendar year 1952, 1953, 1954 or 1955, shall be recalculated forthwith after the fifteenth day of June in the next following fiscal year on the basis of the relevant ratios of population and of values of gross national product per capita set out in the certificate of the Dominion Statistician furnished under paragraph one of this clause in the said next following fiscal year.

(6) If the amount estimated to be payable under clause one recalculated in accordance with paragraph five is greater than the said amount as estimated under paragraph three, Canada will be liable to pay to the Province, or if less, the Province will be liable to pay to Canada, at the time for payment of the instalment under this clause next following the said recalculation, the amount of the difference; and if the amount of the difference is payable by the Province to Canada, Canada may deduct the said amount from the said following instalment or any subsequent instalment under this agreement.

(7) The Dominion Statistician will, as soon as is possible after February 28, 1957 but not later than April 15, 1957, furnish to the Minister of Finance of Canada and to the Provincial Treasurer of the Province respectively, his certificate setting forth

- (a) the population of the Province and the population of Canada for each of the calendar years 1951, 1952, 1953, 1954 and 1955, computed as provided in subparagraphs (a) and (b), respectively, of paragraph three of clause four, and the ratio that the population of the Province for each of the said years bears to the population of the Province for the year 1948;

- (b) the value of the gross national product in each such calendar year as then estimated by him and the ratio that the said value per capita in each such calendar year bears to the said value per capita in the year 1948 as then estimated by him; and
- (c) the difference, if any, between the methods and concepts employed by him in estimating the values of the gross national product in respect of which the ratios mentioned in subparagraph (b) of this paragraph were established and the methods employed by him in estimating the said values in respect of which were established the ratios previously certified by him pursuant to which
 - (i) the estimated amount payable under clause one in respect of each of the fiscal years mentioned in paragraph five was recalculated as provided in the said paragraph, and
 - (ii) the estimated amount payable in respect of the fiscal year commencing in the calendar year 1956, was calculated as provided in paragraph three,

and the certificate shall be final and conclusive for the purpose of this agreement.

(8) The total amount payable by Canada to the Province under clause one in respect of the five fiscal years mentioned therein shall be finally calculated forthwith after the certificate is furnished by the Dominion Statistician in accordance with paragraph seven, the said calculations to be made on the basis of the information in the certificate.

(9) Subject to paragraph eleven, Canada will, within fifteen days after the day on which the Dominion Statistician furnishes his certificate under paragraph seven, but not later than April 30, 1957, pay to the Province as a final payment the amount by which

- (a) the total amount payable by Canada calculated under paragraph eight

exceeds

- (b) the aggregate of the payments made on account thereof by Canada to the Province under this Agreement and the amounts, if any, deducted pursuant to clauses five and six,

and payment accordingly shall fully discharge Canada's obligation under clause one.

(10) If the amount specified in subparagraph (b) of paragraph nine exceeds the amount specified in subparagraph (a) thereof, the Province will, on May 15, 1957, pay to Canada an amount equal to the excess.

(11) If on the day on which the final amount is or could otherwise become payable by Canada under paragraph nine any matter affecting the payment by Canada of the final amount or any instalment pursuant to this clause, is before or is about to be submitted to the courts pursuant to clause ten, payment of that amount or that instalment, as the case may be, will be withheld until the matter has been finally decided and the amount in question shall thereafter in whole or in part be paid to the Province or retained by Canada in accordance with the final decision.

(12) For the purpose of establishing the ratios to be certified by the Dominion Statistician under this clause in respect of the value of gross national product per capita, any part of a dollar included in the value of gross national product per capita shall be expressed as a decimal fraction of five digits after the decimal point, and, in any certificate furnished by the Dominion Statistician under this clause, the ratios therein mentioned in respect of the population of the Province and of the value of gross national product per capita shall be expressed as the percentage that the said population and value, respectively, for the later relevant year, are of the

said population and value, respectively, for the earlier relevant year and a fractional part of one per cent shall be expressed as a decimal fraction of five digits after the decimal point.

(13) Any amount payable by the Province to Canada under paragraph ten of this clause or paragraph six of clause five may, if it is not paid, be recovered as a debt due to Canada by way of deduction or set off out of any amount payable by Canada to the Province.

the Province is entitled, within ninety days after entry into this agreement or after receiving a copy of such other agreement from Canada, whichever is later, to require that the said clause in this agreement be amended so that it will be expressed in a like manner to the said clause contained in such other agreement and to like effect, or that the said additional clause be included in this agreement, or that the said clause so omitted be omitted from this agreement, respectively, and where this agreement is amended pursuant to this paragraph, the amendment shall have effect between the parties to this agreement from the date on which such other agreement, in respect of which such amendment was made, had effect between the parties thereto.

(3) After entry into this agreement, Canada will, before entry into a proposed agreement with another province, if the proposed agreement provides for any variation in the clauses therein that correspond to clause one and clause four not permitted under paragraph one of this clause, furnish a copy of the proposed agreement to the Provincial Treasurer of the Province and if the Provincial Treasurer of the Province has not notified the Minister of Finance of Canada that the Province objects to entry by Canada into the proposed agreement within thirty days after the receipt of the said copy by him, the Province shall be deemed not to object to entry into the proposed agreement by Canada.

(4) Where Canada enters into an agreement with another province after entry into this agreement, Canada will forthwith furnish a copy of such other agreement to the Provincial Treasurer of the Province.

(6) The Minister of Finance of Canada will exercise his best judgment to ensure that the same principles are adhered to in the selection of the enactments included in the appendices in any other agreement entered into after entry into this agreement, corresponding to Appendices "A" and "B" of this agreement, as have been adhered to in the selection of the enactments included in Appendices "A" and "B" of this agreement in accordance with the true intent and purpose of this agreement.

(7) In this clause "agreement with another province," "another agreement" or "other agreement" means an agreement between Canada and the government of a province other than the Province of a like nature to this agreement and having like purposes to this agreement.

DISPUTES AND DIFFERENCES

10.—(1) Where either party to this agreement gives notice to the other in writing that in its opinion

- (a) there is disagreement between the parties as to the interpretation of any provision of this agreement or any matter arising therefrom, or
- (b) the other party has contravened or failed to observe a provision of the agreement,

the Province will, within sixty days of delivery of the notice, cause the matter to be referred by the Lieutenant-Governor of the Province to the Court of Appeal of Ontario for hearing and consideration and for the opinion of the court.

(2) A reference under paragraph one shall be in the form of a question for the opinion of the court or other method of defining clearly the matter in issue, in such terms as the parties agree and if they cannot agree, the form and terms of the reference shall be determined by the Chief Justice of the Province upon the application of either party.

(3) Where one of the parties alleges that the other has contravened or failed to observe a provision of this agreement, the reference shall include a request for the opinion of the court as to the steps, if any, that ought to be taken by either or both of the parties in order to place the parties in the position in which they would have been had there been no such contravention or failure.

(4) Where, upon a reference under paragraph one, the opinion of the Court of Appeal of Ontario (or of the Supreme Court of Canada in the case of an appeal therefrom) discloses that the Province has contravened or failed to observe a provision of this agreement, the Province will promptly take such steps as are necessary to give effect to the opinion of the Court of Appeal of Ontario or the Supreme Court of Canada, as the case may be, and to place the parties in the position in which they would have been had there been no such contravention or failure, and to repay or cause to be repaid any money collected by the Province or a municipality by way of tax in contravention of this agreement; but if the Province fails to do so, Canada may, in the manner prescribed in clause twelve, terminate this agreement or may deduct the amount of any tax imposed or collected in contravention of this agreement from any amount payable by Canada to the Province.

(5) Where, upon a reference under paragraph one, the opinion of the Court of Appeal of Ontario (or of the Supreme Court of Canada in the case of an appeal therefrom) discloses that Canada has contravened or failed to observe a provision of this agreement, Canada will promptly take such steps as are necessary to give effect to the opinion of the Court of Appeal of Ontario or the Supreme Court of Canada, as the case may be, and to place the parties in the position in which they would have been had there been no such contravention or failure; but if Canada fails to do so, the Province may, in the manner prescribed in clause twelve, terminate this agreement forthwith.

11.—(1) The procedure in any reference under the provisions of clause ten shall be governed by the rules of the Court of Appeal of Ontario or otherwise shall be such as the court determines.

(2) The parties hereto agree to supply promptly such information as may be required by the Court of Appeal of Ontario for the purposes of a reference under clause ten and will accept as final and binding upon them the opinions of the Court of Appeal of Ontario in any such reference (or of the Supreme Court of Canada in the case of an appeal therefrom) and agree to accept and be governed, in interpreting and carrying out this agreement, by the opinions of the courts of other provinces (or of the Supreme Court of Canada in the case of an appeal therefrom) concerning a matter submitted to them under any other agreement entered into after January 1, 1952, between Canada and a Province of a like nature and having like purposes to this agreement, to the extent that those opinions may be applied in respect of this agreement.

(3) The parties hereto agree that the government of any other Province that has, after January 1, 1952, entered into an agreement of a like nature and having like purposes to this agreement may appear before the courts and be heard as a party to any proceedings consequent upon a reference under clause ten and the Province will accordingly, within ten days of the day on which a matter is referred to the Court of Appeal of Ontario under clause ten, give notice in writing of the reference to each province that has entered into such an agreement with Canada setting out clearly the matters in issue.

(4) Each party to a reference under this provision shall bear its own costs of the reference.

(5) The Province undertakes that it has procured or will, at the session of its Legislature next ensuing after the execution of this agreement, procure the enactment of such legislation as may be necessary

- (a) to ensure that the Court of Appeal of Ontario has jurisdiction to hear, consider and determine a matter referred to it under clause ten,
- (b) to declare, for the purposes of section 37 of the Supreme Court Act, chapter 35 of the Revised Statutes of Canada, 1927, that the opinion of the Court of Appeal of Ontario in respect of a matter referred to it under clause ten is to be deemed a judgment of that court and that an appeal lies therefrom as from a judgment in an action, and
- (c) to enable a Province that has, after January 1, 1952, entered into an agreement of a like nature and having like purposes to this agreement to appear before the courts and be heard as a party in respect of any matter referred to the Court of Appeal of Ontario under clause ten.

TERMINATION AFTER REFERENCE TO COURTS

12.—(1) A notice to terminate this agreement given under clause ten shall be given

- (a) in the case of termination by Canada, by notice in writing given by the Minister of Finance of Canada to the Provincial Treasurer of the Province, or

- (2) A notice to terminate this agreement given under clause ten will
- (a) terminate the obligation of the Province not to impose or permit any municipality to impose individual income taxes, corporation income taxes, or corporation taxes, from and after the end of the calendar year in which such notice is given, and

(b) terminate the obligation of Canada

- (i) to make any payments under this agreement in respect of fiscal years mentioned in clause one commencing in the calendar year following the calendar year in which the notice is given or subsequently, and
 - (ii) under paragraph three of clause three to allow the deductions in computing income under The Income Tax Act therein mentioned from income of the calendar year following the calendar year in which the notice is given or subsequently.
- (3) Termination of the obligations of the Province and of Canada as provided in subparagraphs (a) and (b) of paragraph two respectively shall not affect the operation of any clause of this agreement in respect of the fiscal years and calendar years mentioned in clause one and clause four, prior to or ending at the time of termination of the said obligations, and upon such termination the provisions of this agreement shall, subject to paragraph four of this clause, apply *mutatis mutandis* in respect of the said fiscal years and calendar years as if this agreement had been entered into only for the period of the said years.

(4) Notwithstanding that this agreement becomes applicable, *mutatis mutandis*, in respect of a number of fiscal years less than the five fiscal years mentioned in clause one as provided in paragraph three of this clause the amounts payable in respect of the fiscal years during which this agreement continues in full force and effect and the total amount finally payable by Canada in respect of the said fiscal years shall not be finally computed until the times mentioned in paragraphs seven, eight, nine and ten of clause seven and shall then be computed in the manner provided by clause four in respect of each such fiscal year in accordance with the information contained in the certificate of the Dominion Statistician furnished under paragraph seven of clause seven.

TAX CREDITS AFTER EXPIRY OF AGREEMENT

13. Unless the Province otherwise agrees, Canada will, if this agreement has not been terminated under clause twelve,

- (a) allow as a deduction from individual income tax imposed by Canada on income of each of the calendar years 1957, 1958, 1959, 1960 and 1961, of a person who resides or is employed in the Province,
 - (i) individual income tax payable under the laws of the Province on income of the same year, or
 - (ii) five per cent of the amount of the individual income tax imposed by Canada on the said income of that year,

whichever is less, but if individual income tax is imposed on the said income by more than one province the total amount allowed as a deduction in respect of all such taxes shall not exceed the said five per cent;

- (b) allow as a deduction from the duty otherwise payable under The Dominion Succession Duty Act, in respect of a succession to property consequent upon a death during the period commencing on April 1, 1957 and ending on March 31, 1962 an amount in respect of succession duties paid to the Province and the government of any other province in respect of the succession to or transmission of the property consequent upon that death equal to the amount of the duty otherwise payable multiplied by the lesser of:
 - (i) one half, or
 - (ii) the total amount of duties paid under the laws of the Province and the laws of any other province in respect of all property the succession to which is subject to duty under the said Act

consequent upon that death, divided by the total amount of duty otherwise payable under the said Act consequent upon that death in respect of all successions to property on which duties were paid under the laws of the Province or the laws of any other province,

and in this paragraph "duty otherwise payable" means the duty that would be payable under The Dominion Succession Duty Act if there were no provision in that Act to allow a successor to make a deduction under that Act in respect of succession duties paid to a province, and

- (c) allow as a deduction from corporation income tax imposed by Canada on income of a corporation of each of the calendar years 1957, 1958, 1959, 1960 and 1961,
- (i) corporation income tax payable under the laws of the Province on income of the corporation of the same year, or
 - (ii) seven per cent of the taxable income of the corporation that is attributable to the operations of the corporation in the Province in that year in accordance with rules that will hereafter be set out in The Income Tax Act, or regulations made thereunder, including any amendments or modifications of such rules,

whichever is less.

SAVING CLAUSES

RELIEF OF UNEMPLOYMENT

OTHER AGREEMENTS

15. Nothing contained in this agreement shall be deemed to vary or terminate any of the rights or obligations of the Province or Canada under any agreement heretofore entered into between them or to limit their authority to enter into any further agreement in addition to or by way of amendment to this agreement.

MEMORANDUM OF AGREEMENT made (in duplicate) this 1st day of April, 1951.

BETWEEN:

THE BOARD OF WATER COMMISSIONERS FOR THE CITY OF WELLAND, hereinafter called the "Board",

OF THE FIRST PART,

—and—

THE CORPORATION OF THE TOWNSHIP OF CROWLAND, hereinafter called the "Township",

OF THE SECOND PART,

—and—

THE CORPORATION OF THE CITY OF WELLAND, hereinafter called the "City",

OF THE THIRD PART.

WHEREAS the Board has been supplying several Municipalities, including the Township, with water upon the terms set forth in various agreements;

AND WHEREAS in order to insure a sufficient supply of water, not only for the City, but also the Township, it will become necessary for the Board to provide facilities, including lands and easements outside the boundaries of the City, in order to lay a twelve-inch trunk line, or lines, and to construct a Reservoir, known as the Welland Reservoir Project, to serve the City and Township and other Municipalities;

AND WHEREAS in order to insure the Board a continued source of revenue from water users to repay the City for a part of the necessary expenditures and to provide a permanent water supply, the parties hereto desire to enter into this agreement;

AND WHEREAS it is anticipated that when the Welland Reservoir Project is completed and when the Board's capital expenditures and present Bond indebtedness are substantially reduced, a more favourable rate structure to the Township may be possible;

AND WHEREAS the Township has signified its willingness not to enter into competition and not to purchase, or permit the purchase of water elsewhere during the life of the said agreement for the water users in the area coloured blue on the plan attached hereto;

Now, THEREFORE, the parties hereto mutually covenant and agree:

1, 2 and 3. *These paragraphs are the same as paragraphs 1, 2 and 3, respectively, in the Agreement with Thorold Township—see Schedule R.*

4. The Township in the area coloured blue on the plan attached hereto and made a part hereof will not establish, or permit the establishment of, any competing system, nor purchase nor permit the purchase of water from anyone but the Board for the purpose of supplying the residents of this area. This shall not affect the rights of the individual residents to provide water for themselves through wells or springs.

5. *This paragraph is the same as paragraph 5 in the Agreement with Thorold Township—see Schedule R.*

6. The Board will supply water to the Township and its water users in the area above referred to, as shown coloured blue on the attached plan, at approximately the same pressure as the same is supplied for residential purposes within the City of Welland, after making due allowances, however, for the usual friction and altitude loss.

7. The Board shall supply water for hydrants at approximately the same pressure as the same is supplied for hydrant purposes within the City of Welland, after making due allowances however for usual friction and altitude loss.

8, 9, 10, 11, 12 and 13. *These paragraphs are the same as paragraphs 8, 10, 11, 12, 13 and 14, respectively, in the Agreement with Thorold Township—see Schedule R.*

14. The Board shall collect all water rates chargeable under the terms of this agreement and shall determine the manner of, and may exercise any remedies for the collection of rates and their present By-law or By-laws, in operation in the City of Welland, shall for these purposes extend to the Township, together with any and all rights pursuant to the provisions of The Public Utilities Act of Ontario, R.S.O. 1950, Cap. 320, and the said Township covenants and agrees to co-operate and assist the Board upon request in the enforcement of the collection of the said rates. Nothing herein contained shall restrict the Board in the amendment of any By-law should any disagreement arise, the provisions of paragraph 18 shall apply.

15. *This paragraph is the same as paragraph 16 in the Agreement with Thorold Township—see Schedule R.*

16. The Board reserves the right to refuse the supply of water to any additional areas in the Township beyond those designated in blue, having regard to the available supply of water and the requirements from time to time of the City, and the areas now served or designated.

Nothing, however, in this agreement shall prevent the Board from extending the supply of water to other areas of the Township, or any other Municipality which may be supplied by the Board in the future, if a sufficient water supply is available and such areas are prepared to pay in their rates, their proportionate share of any costs, or expenses, already incurred by the present parties under this agreement.

17, 18, 19, 20, 21 and 22. *These paragraphs are the same as paragraphs 18, 19, 20, 21, 22 and 23, respectively, in the Agreement with Thorold Township—see Schedule R.*

—and—

THE CORPORATION OF THE TOWNSHIP OF HUMBERSTONE, hereinafter called the "Township",

OF THE SECOND PART,

—and—

THE CORPORATION OF THE CITY OF WELLAND, hereinafter called the "City",

OF THE THIRD PART.

WHEREAS the Board has been supplying several Municipalities, including the Township, with water upon the terms set forth in various agreements;

AND WHEREAS in order to insure a sufficient supply of water, not only for the City, but also the Township, it will become necessary for the Board to provide facilities, including lands and easements outside the boundaries of the City, in order to lay a twelve-inch trunk line, or lines, and to construct a Reservoir, known as the Welland Reservoir Project, to serve the City and Township and other Municipalities;

AND WHEREAS in order to insure the Board a continued source of revenue from water users to repay the City for a part of the necessary expenditures and to provide a permanent water supply, the parties hereto desire to enter into this agreement;

AND WHEREAS it is anticipated that when the Welland Reservoir Project is completed and when the Board's capital expenditures and present Bond indebtedness are substantially reduced, a more favourable rate structure to the Township may be possible;

AND WHEREAS the Township has signified its willingness not to enter into competition and not to purchase, or permit the purchase of water elsewhere during the life of the said agreement for the water users in the area coloured yellow on the plan attached hereto;

4. The Township in the area coloured yellow on the plan attached hereto and made a part hereof will not establish or permit the establishment of any competing system, nor purchase nor permit the purchase of water from anyone but the Board for the purpose of supplying the residents of this area. 5. *This paragraph is the same as paragraph 5 in the Agreement with Thorold Township—see Schedule R.*

6. The Board will supply water to the Township and its water users in the area above referred to, as shown coloured yellow on the attached plan, at approximately the same pressure as the same is supplied for residential purposes within the City of Welland, after making due allowances, however, for the usual friction and altitude loss.

Nothing, however, in this agreement shall prevent the Board from extending the supply of water to other areas of the Township, or any other Municipality which may be supplied by the Board in the future, if a sufficient water supply is available and such areas are prepared to pay in their rates, their proportionate share of any costs, or expenses, already incurred by the present parties under this agreement.

1. The Board shall continue to supply water to the water users of the Township for a period of twenty years from April 1st, 1951, at the

rates set forth in Schedule "A" (as now agreed upon, or as agreed upon by revision from time to time) attached hereto and made a part hereof.

2. The Board will at the end of one year from completion of the Welland Reservoir Project and in any event not later than eighteen months from the 1st day of April, 1951, review and equitably adjust these rates in the light of the costs of and incidental to the costs of the construction of the Reservoir.

3. The Board will, if requested on three months' notice given on or before the 1st day of April, 1955, 1960, 1965 and 1970 again review these rates in the light of the existing capital expenditures and debenture debt of the Board.

4. The Township in the area coloured red on the plan attached hereto will not establish, or permit the establishment of, any competing system, nor purchase nor permit the purchase of water from anyone but the Board for the purpose of supplying the residents of this area. This shall not affect the rights of the individual residents to provide water for themselves through wells or springs.

5. The Board will maintain all watermains, valves, hydrants and other services within the limits or streets of the Township at the Board's expense and the Township hereby permits the Board to use any portion of the streets or highways, as may be necessary to install, repair, replace or provide service to water users but the Board will restore any streets or highways at its own expense, to their former condition.

6. The Board will supply water to the Township and its water users in the area above referred to, as shown coloured red on the attached plan, at approximately the same pressure as the same is supplied for residential purposes on the west side of the Welland Ship Canal within the City of Welland, after making due allowances, however, for the usual friction and altitude loss.

7. The Board shall supply water for hydrants at approximately the same pressure as the same is supplied for hydrant purposes on the west side of the Welland Ship Canal within the City of Welland, after making due allowances, however, for usual friction and altitude loss.

8. The Board shall have the right to connect water services to Township watermains to supply residents of the City of Welland adjacent to the Township boundaries.

9. The Board agrees to supply water from its watermain on Thorold Road east of Aqueduct Street to water users on the north side of that part of Thorold Road.

10. In the event of an emergency the Board shall have the right at any time to control the water supply valves either in the City, or in the Township, or anything connected with the water supply, for the use or protection of the City, or any other necessary purpose. If such action shall become necessary and shall diminish or interrupt, or prevent the supply of water for the users for the Township, the Board shall not in any way be liable to the Township or its users for damages or otherwise.

This provision shall not be construed as giving the Board the right of discontinuing the water supply to the Township under this agreement except for the wilful failure, or refusal of the Township to comply with the provisions of this agreement, or any renewal thereof.

11. The Board shall not be liable except for its own gross negligence to the said Township, or its water users, by reason of any impurity, quality, or other defect in the said water supply.

12. The Township before extending its mains will advise the Board, giving particulars of location, size and quality of pipe and any other information that may be necessary for the Board or its engineer to give approval, and if the same meets with the approval of the Board, the Board

shall forthwith indicate its approval to the Township. It being understood that all mains extended or to be extended and constructed shall be done at the expense of the Township.

13. The Township will provide such easements as may be necessary along its own highways, or on any of its lands, and will assist in all ways possible to obtain easements on lands or highways not owned by the Township.

The Board may, with the approval of the Township, erect booster stations. The Board may install mains or trunk lines on the said highways or lands, and trench, repair and service the same; but will do the same in a good workmanlike manner, so as to interfere with the highway and the said lands as little as possible. The Board shall at all times keep its installations in proper repair, and shall save the Township harmless from any claim arising out of the installation and/or operation under this paragraph.

14. The Board shall at all times keep its trunk lines along the said highways, or easements, in a proper state of repair and will be responsible for any damages arising out of any default or neglect in this respect on the part of its servants or agent.

15. The Board shall collect all water rates chargeable under the terms of this agreement and shall determine the manner of, and may exercise any remedies for the collection of rates and their present By-law or By-laws, in operation in the City of Welland, shall for these purposes extend to the Township, together with any and all rights pursuant to the provisions of the Public Utilities Act of Ontario, R.S.O. 1950, Cap. 320, and the said Township covenants and agrees to co-operate and assist the Board upon request in the enforcement of the collection of the said rates. Nothing herein contained shall restrict the Board in the amendment of any By-law should any disagreement arise, the provisions of paragraph 19 shall apply.

16. Nothing herein contained shall render the Board liable to supply to the Township any water, if through strikes, breakdowns, floods or other causes beyond the Board's control, such supply shall be discontinued.

17. The Board reserves the right to refuse the supply of water to any additional areas in the Township beyond those designated in red, having regard to the available supply of water and the requirements, from time to time of the City, and the areas now served or designated.

Nothing, however, in this agreement shall prevent the Board from extending the supply of water to other areas of the Township, or any other Municipality which may be supplied by the Board in the future, if a sufficient water supply is available and such areas are prepared to pay in their rates, their proportionate share of any costs, or expenses, already incurred by the present parties under this agreement.

18. This agreement shall remain in full force and effect for a period of twenty years from the date hereof, and thereafter may continue in full force and effect from year to year, subject to six months' notice by either party of its intention to cancel same.

19. In the event that the Township or Board cannot agree upon such rates, the whole matter in dispute shall be referred to arbitration to the Ontario Municipal Board under the provisions set forth in The Municipal Act, R.S.O. 1950, Cap. 243.

As a condition precedent, however, to an application for arbitration under The Municipal Act, the parties in disagreement, or their nominees, shall meet or offer to meet and endeavour to adjust any differences before an application for arbitration shall be sought by either party.

20. The provisions for arbitration in this agreement shall apply not only to rates, but to any matters arising in disagreement between the parties hereto. Upon any arbitration in the fixing of water rates, such rates shall take into consideration the cost and repayment of any Deben-

tures issued by the Board in its extensions; issue and repayment of all Debentures; cost of water supplied—without limiting the generality of the word "cost". The same shall include leases and rentals paid by the Board to the Dominion Government and others for raw water; the cost of pumping; reserve for depreciation, replacements, obsolescence, and extensions; administration cost, salaries, and all other reasonable operating expenses.

21. No revision of rates shall be made that imposes upon the Township, rates that exceed the present ratio of rates between the Township rates and the City of Welland rates.

22. It is understood that this entire agreement is subject to the Board being able to proceed with the Reservoir Project hereinbefore referred to. If for any reason the Board through the absence of concurrence on the part of the Municipal Board, the Department of Transport, the City of Welland, or any other Municipality whose concurrence is necessary, or by reason of prohibitive costs or shortage of materials, deems it inexpedient to proceed with such project, then this agreement shall be null and void at the expiration of 90 days from the date when the Board gives notice to that effect.

23. Pursuant to the provisions of Sections 11 and 41 of the Public Utilities Act, R.S.O. 1950, Cap. 320, the City by these presents hereby consents to the execution and carrying out of this agreement by the Board.

IN WITNESS WHEREOF the parties hereto have hereunto caused their respective corporate seals to be hereunto affixed, attested by the hands of their proper officers duly authorized by By-law the day and year first above written.

SCHEDULE R

MEMORANDUM OF AGREEMENT made (in duplicate) this 1st day of April, 1951.

BETWEEN:

THE BOARD OF WATER COMMISSIONERS FOR THE CITY OF WELLAND, hereinafter called the "Board",

OF THE FIRST PART,

—and—

THE CORPORATION OF THE TOWNSHIP OF THOROLD, hereinafter called the "Township",

OF THE SECOND PART,

—and—

THE CORPORATION OF THE CITY OF WELLAND, hereinafter called the "City",

OF THE THIRD PART.

WHEREAS the Board has been supplying several Municipalities, including the Township, with water upon the terms set forth in various agreements;

AND WHEREAS in order to insure a sufficient supply of water, not only for the City, but also the Township, it will become necessary for the Board to provide facilities, including lands and easements outside the boundaries of the City, in order to lay a twelve-inch trunk line, or lines, and to construct a Reservoir, known as the Welland Reservoir Project, to serve the City and Township and other Municipalities;

AND WHEREAS in order to insure the Board a continued source of revenue from water users to repay the City for a part of the necessary expenditures and to provide a permanent water supply, the parties hereto desire to enter into this agreement;

AND WHEREAS the Board owns and maintains at present the six-inch watermain on Thorold Road, east of Aqueduct Street;

AND WHEREAS the Township owns the six-inch watermain situate on Thorold Road between Aqueduct Street and Niagara Street and also the six-inch watermain situate on Wilson Road, south of Thorold Road;

AND WHEREAS the County of Welland claims to be the owner of the eight-inch and six-inch mains on Thorold Road between Niagara Street and the west limit of the Township, and also the six-inch main on the Township line, between Thorold and Pelham Townships from Thorold Road to the Children's Shelter on the said Township boundary line;

AND WHEREAS the Township is the owner of all other watermains within the Corporate limits of the said Township;

AND WHEREAS it is anticipated that when the Welland Reservoir Project is completed and when the Board's capital expenditures and present Bond indebtedness are substantially reduced, a more favourable rate structure to the Township may be possible;

AND WHEREAS the Township has signified its willingness not to enter into competition and not to purchase, or permit the purchase of, water elsewhere during the life of the said agreement for the water users in the area coloured red on the plan attached hereto;

NOW, THEREFORE, the parties hereto mutually covenant and agree:

1. The Board shall continue to supply water to the water users of the Township for a period of twenty years from April 1st, 1951, at the

rates set forth in Schedule "A" (as now agreed upon, or as agreed upon by revision from time to time) attached hereto and made a part hereof.

2. The Board will at the end of one year from completion of the Welland Reservoir Project and in any event not later than eighteen months from the 1st day of April, 1951, review and equitably adjust these rates in the light of the costs of and incidental to the costs of the construction of the Reservoir.

3. The Board will, if requested on three months' notice given on or before the 1st day of April, 1955, 1960, 1965 and 1970 again review these rates in the light of the existing capital expenditures and debenture debt of the Board.

4. The Township in the area coloured red on the plan attached hereto will not establish, or permit the establishment of, any competing system, nor purchase nor permit the purchase of water from anyone but the Board for the purpose of supplying the residents of this area. This shall not affect the rights of the individual residents to provide water for themselves through wells or springs.

5. The Board will maintain all watermains, valves, hydrants and other services within the limits or streets of the Township at the Board's expense and the Township hereby permits the Board to use any portion of the streets or highways, as may be necessary to install, repair, replace or provide service to water users but the Board will restore any streets or highways at its own expense, to their former condition.

6. The Board will supply water to the Township and its water users in the area above referred to, as shown coloured red on the attached plan, at approximately the same pressure as the same is supplied for residential purposes on the west side of the Welland Ship Canal within the City of Welland, after making due allowances, however, for the usual friction and altitude loss.

7. The Board shall supply water for hydrants at approximately the same pressure as the same is supplied for hydrant purposes on the west side of the Welland Ship Canal within the City of Welland, after making due allowances, however, for usual friction and altitude loss.

8. The Board shall have the right to connect water services to Township watermains to supply residents of the City of Welland adjacent to the Township boundaries.

9. The Board agrees to supply water from its watermain on Thorold Road east of Aqueduct Street to water users on the north side of that part of Thorold Road.

10. In the event of an emergency the Board shall have the right at any time to control the water supply valves either in the City, or in the Township, or anything connected with the water supply, for the use or protection of the City, or any other necessary purpose. If such action shall become necessary and shall diminish or interrupt, or prevent the supply of water for the users for the Township, the Board shall not in any way be liable to the Township or its users for damages or otherwise.

This provision shall not be construed as giving the Board the right of discontinuing the water supply to the Township under this agreement except for the wilful failure, or refusal of the Township to comply with the provisions of this agreement, or any renewal thereof.

11. The Board shall not be liable except for its own gross negligence to the said Township, or its water users, by reason of any impurity, quality, or other defect in the said water supply.

12. The Township before extending its mains will advise the Board, giving particulars of location, size and quality of pipe and any other information that may be necessary for the Board or its engineer to give approval, and if the same meets with the approval of the Board, the Board

shall forthwith indicate its approval to the Township. It being understood that all mains extended or to be extended and constructed shall be done at the expense of the Township.

13. The Township will provide such easements as may be necessary along its own highways, or on any of its lands, and will assist in all ways possible to obtain easements on lands or highways not owned by the Township.

The Board may, with the approval of the Township, erect booster stations. The Board may install mains or trunk lines on the said highways or lands, and trench, repair and service the same; but will do the same in a good workmanlike manner, so as to interfere with the highway and the said lands as little as possible. The Board shall at all times keep its installations in proper repair, and shall save the Township harmless from any claim arising out of the installation and/or operation under this paragraph.

14. The Board shall at all times keep its trunk lines along the said highways, or easements, in a proper state of repair and will be responsible for any damages arising out of any default or neglect in this respect on the part of its servants or agent.

15. The Board shall collect all water rates chargeable under the terms of this agreement and shall determine the manner of, and may exercise any remedies for the collection of rates and their present By-law or By-laws, in operation in the City of Welland, shall for these purposes extend to the Township, together with any and all rights pursuant to the provisions of the Public Utilities Act of Ontario, R.S.O. 1950, Cap. 320, and the said Township covenants and agrees to co-operate and assist the Board upon request in the enforcement of the collection of the said rates. Nothing herein contained shall restrict the Board in the amendment of any By-law should any disagreement arise, the provisions of paragraph 19 shall apply.

16. Nothing herein contained shall render the Board liable to supply to the Township any water, if through strikes, breakdowns, floods or other causes beyond the Board's control, such supply shall be discontinued.

17. The Board reserves the right to refuse the supply of water to any additional areas in the Township beyond those designated in red, having regard to the available supply of water and the requirements, from time to time of the City, and the areas now served or designated.

Nothing, however, in this agreement shall prevent the Board from extending the supply of water to other areas of the Township, or any other Municipality which may be supplied by the Board in the future, if a sufficient water supply is available and such areas are prepared to pay in their rates, their proportionate share of any costs, or expenses, already incurred by the present parties under this agreement.

18. This agreement shall remain in full force and effect for a period of twenty years from the date hereof, and thereafter may continue in full force and effect from year to year, subject to six months' notice by either party of its intention to cancel same.

19. In the event that the Township or Board cannot agree upon such rates, the whole matter in dispute shall be referred to arbitration to the Ontario Municipal Board under the provisions set forth in The Municipal Act, R.S.O. 1950, Cap. 243.

As a condition precedent, however, to an application for arbitration under The Municipal Act, the parties in disagreement, or their nominees, shall meet or offer to meet and endeavour to adjust any differences before an application for arbitration shall be sought by either party.

20. The provisions for arbitration in this agreement shall apply not only to rates, but to any matters arising in disagreement between the parties hereto. Upon any arbitration in the fixing of water rates, such rates shall take into consideration the cost and repayment of any Deben-

tures issued by the Board in its extensions; issue and repayment of all Debentures; cost of water supplied—without limiting the generality of the word “cost”. The same shall include leases and rentals paid by the Board to the Dominion Government and others for raw water; the cost of pumping; reserve for depreciation, replacements, obsolescence, and extensions; administration cost, salaries, and all other reasonable operating expenses.

21. No revision of rates shall be made that imposes upon the Township, rates that exceed the present ratio of rates between the Township rates and the City of Welland rates.

22. It is understood that this entire agreement is subject to the Board being able to proceed with the Reservoir Project hereinbefore referred to. If for any reason the Board through the absence of concurrence on the part of the Municipal Board, the Department of Transport, the City of Welland, or any other Municipality whose concurrence is necessary, or by reason of prohibitive costs or shortage of materials, deems it inexpedient to proceed with such project, then this agreement shall be null and void at the expiration of 90 days from the date when the Board gives notice to that effect.

23. Pursuant to the provisions of Sections 11 and 41 of the Public Utilities Act, R.S.O. 1950, Cap. 320, the City by these presents hereby consents to the execution and carrying out of this agreement by the Board.

IN WITNESS WHEREOF the parties hereto have hereunto caused their respective corporate seals to be hereunto affixed, attested by the hands of their proper officers duly authorized by By-law the day and year first above written.

and it is desirable that one lease of all the lands presently so demised to Simpsons, Limited, its successors and assigns, should be made for one term of twenty-one years with rights of renewal; and that Simpsons, Limited has agreed that the respective terms of the said existing leases under which it now holds the said lands from the petitioners will be surrendered by it if the petitioners will accept the surrenders thereof and lease to Simpsons, Limited, its successors and assigns, all the said lands under a new lease thereof *en bloc* for the term of twenty-one years commencing on the 1st day of January, 1951, with rights of renewal, and will also accept from Simpsons, Limited, its successors and assigns, the rents which it would have paid under the existing leases for the balance of their respective surrendered terms and will also grant to Simpsons, Limited, its successors and assigns, for a period of twenty-one years from the 1st day of January, 1951, the benefit of one-half the excess of rental of land *en bloc* over the aggregate of rentals if the same land continued to be leased as separate parcels; and that the acceptance of such surrenders and the making of such new lease *en bloc*, in the form of lease in the Schedule hereto, and the granting of such benefits, has at a duly called meeting of the Congregation of Knox's Church, Toronto, been consented to and approved by such Congregation so as to comply with the provisions of an Act entitled *An Act to authorize the Sale or Lease of Lands in Upper Canada, held in Trust for the use of Congregations or Religious Bodies*, being chapter 119 of the Statutes of the Province of Canada, 1854-55; and whereas the petitioners have prayed for special legislation in respect of these matters; and whereas it is expedient to grant the prayer of the petition;

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

Such Board shall be composed of four members appointed by the Town Council of the Town of Orillia, of whom one, if possible, shall be an Officer of Her Majesty's Forces who has served overseas in the Second Great War; one member appointed by the Hospital Board; and one member appointed by the Council of the Township of Orillia. No member of said Board of Reference shall be a member of the body appointing him at the time of his appointment. Members of said Board shall continue as such during life, or until resignation, or until each such member ceases to be a resident of one of the Municipalities concerned. Vacancies upon said Board shall be immediately filled by the body making the original appointment. Such Board of Reference shall be empowered from time to time and for so long as may be necessary to make lists of the service personnel entitled to hospital accommodation under the terms of this Agreement, and to furnish copies of such lists to the Hospital Board for the time. Decisions of such Board shall be final, but any individual who has been refused eligibility, may appeal to such Board, who will then hold a special hearing to consider the case.

SCHEDULE

THIS AGREEMENT made in triplicate this Twenty-second day of September, A.D. 1952.

BETWEEN:

THE PUBLIC UTILITIES COMMISSION OF THE TOWNSHIP OF SCARBOROUGH, hereinafter called the "Commission",

OF THE FIRST PART,

THE CORPORATION OF THE TOWNSHIP OF NORTH YORK, hereinafter called the "Township",

OF THE SECOND PART,

—and—

THE CORPORATION OF THE TOWNSHIP OF SCARBOROUGH, hereinafter called "Scarborough",

OF THE THIRD PART.

WHEREAS the Commission is constructing a new plant to increase the supply of water for the Township of Scarborough, and upon the completion of such new plant has agreed to supply a certain quantity of water to the Township upon the terms and conditions hereinafter set out;

AND WHEREAS the Commission has agreed to supply and the Township has agreed to buy a minimum of 1,000,000 Imperial gallons of water per day from the date of the completion of the new plant for a term of twenty years, with the right to the Township to apply to the Commission for an increase in the said supply as the need of the Township arises to a maximum of 2,000,000 Imperial gallons of water per day. The date of the completion of the plant is understood to be in the sole discretion of the Commission or its Engineers.

NOW THIS AGREEMENT WITNESSETH:

(1) The Township agrees to purchase and the Commission agrees to sell a minimum of 1,000,000 Imperial gallons of water per day up to a maximum of 2,000,000 Imperial gallons of water per day, at a maximum rate of flow of 2,000,000 Imperial gallons per day, for a period of twenty years from the date of the completion of the new plant hereinbefore referred to, as certified by the Commission's Consulting Engineers, Messrs. Proctor, Redfern and Laughlin, the Commission to deliver such water at points in the boundary between the Township and Scarborough to be agreed on by the Engineers of the Commission and the Township and set forth in Schedule "A" hereto.

(2) The Township agrees with the Commission that it will accept the delivery of such supply of water during the said term, the amount so delivered to be shown by recording meters hereinafter mentioned, and to be ascertained every calendar month during the said term, and the Township agrees that it will pay to the Commission seventeen cents for each one thousand gallons used during each such calendar month, provided, however, that if the Township shall pay such account to the Commission within fifteen days after the receipt of the same, the Township shall be entitled to deduct from each such account a discount at the rate of one cent per one thousand gallons, making a net rate in each such case of sixteen cents per one thousand gallons.

(3) The Township further agrees that it will pay to the Commission an additional three cents (3c.) per one thousand gallons, such additional amount is understood to be the payment to the Commission for the capital expenditure required to be made by the Commission for the increase in the

size of the pipe from twelve inches (12") to sixteen inches (16") in diameter on Lawrence Avenue between Warden and Victoria Park Avenues to serve the Township at the point on Lawrence Avenue set out in Schedule "A". Such payment will continue until the said capital expenditure, together with interest thereon at the rate charged for such financing by the Ontario Municipal Improvement Corporation, has been paid, at which time such additional payment shall cease.

(4) The Township agrees to maintain at the points of delivery from the Commission's mains to the Township proper recording meters, approved by the respective Engineers of the Township and the Commission, for the purpose of measuring the supply of water delivered to the Township, and to maintain meter houses, valves and all other apparatus necessary to furnish such supply, together with the cut-off or any other valves or apparatus which such Engineers may consider necessary. Such meters, meter houses and appliances are to be maintained in a good, sufficient and proper state of repair by the Township and replaced from time to time as may be necessary, all such cost to be borne by the Township. If any additional recording meters, meter houses, valves or other apparatus and adjuncts are, in the opinion of the respective Engineers, necessary to furnish such supply, the same shall be erected, installed and maintained by the Township, the cost of which is to be borne by the Township.

(5) It is agreed between the Commission and the Township that the meters provided for recording the quantity of water delivered to the Township shall be read at the end of every calendar month, and an account for water supplied during each such period shall, within five days after such reading, be furnished by the Commission to the Treasurer of the Township, and the Township COVENANTS and AGREES with the Commission that it will, during the term of this agreement, pay the Commission, on or before the twentieth day after receiving such account, for all such water supplied to it at the rates aforesaid, the minimum amount of such account to be for 1,000,000 Imperial gallons per day for each day covered by such account.

(6) In case any of the meters shall at any time be out of repair or out of order so that they will not properly measure the supply of water which is being received by the Township, then the Township shall pay for water supplied on the days during which any meter may be out of repair or out of order the same amount per day as the average for the next succeeding three days after any such meter shall have been again put in working order.

(7) The Township shall at all reasonable times allow the Engineer or other duly authorized agent of the Commission access to the meters, valves and appliances at the points of delivery for the purpose of inspection or shut-off, and shall at all reasonable times permit such Engineer or agent to inspect the meter readings showing the amount of water supplied to the Township.

(8) Nothing hereinbefore contained shall operate to prevent the Commission from shutting down its plant for the purpose of effecting necessary repairs or doing such reasonable work in connection with its system as would be considered proper in water works engineering practice, and in such cases no damage shall be recoverable against or from the Commission, but it is understood and agreed by and between the parties hereto that, if possible, notice of intention to close down the Commission's plant shall be given at least twelve hours before such action takes place, but no notice shall be required in case of emergency.

(9) In case the Township shall make default in payment of water supplied for the space of ten days after the time hereinbefore provided for payment, then after the expiration of seven days' notice in writing the Commission may, at its option, if default in payment shall still exist, discontinue the supply of water and keep the same shut off until such default has been cured, and in such case shall not be liable for damages, direct or indirect, which may be suffered by the Township, or any person, firm or corporation as a result of such discontinuance, but in case the Township shall serve notice upon the Commission that it refuses payment pending the settlement of any dispute which may arise between the Commission and the Township, then the Commission shall not discontinue the supply of water pending the settlement of such dispute as hereinafter provided.

(10) Any notice required to be given the Township pursuant to this agreement shall be sufficiently given if delivered personally to the Clerk of the Township, or deposited in Her Majesty's Post Office at Birch Cliff or the City of Toronto, addressed to the Clerk at the Township Offices.

(11) In every case where "gallons" is referred to in this agreement it shall be read as "Imperial gallons".

(12) Any difference arising between the Township and the Commission as to the construction of this agreement, or any matters relative thereto, or as to any sum of money to be paid by the Township to the Commission, shall be submitted to The Ontario Municipal Board by either party for settlement, and each party agrees to be bound by the findings of such Board in respect to each and every matter which may be so submitted to it.

(13) Wherever in this agreement the words "day" or "daily" are used in connection with the supply of water, such words shall have reference to a day of twenty-four hours computed from 10.00 a.m. one day to 10.00 a.m. of the following day.

(14) The Township covenants with the Commission:

(a) That it will pay to the Commission all moneys to which the Commission is entitled, or may become entitled, for water supplied, or to be supplied, or any other matters pursuant to any agreement between the Commission and the Township.

(b) That it will not use the water supplied by the Commission to the Township, or permit or allow such last mentioned water to be used in any air conditioning installations whatsoever, except only in those air conditioning installations where water is only used for make-up purposes and none is permitted to run to waste.

(c) That it will erect in the Don Mills Road area an elevated steel storage tank with a capacity of at least 500,000 gallons when the material and labour for the same are available.

(15) Scarborough hereby consents, pursuant to a resolution of its Council passed on the Fifteenth day of September, A.D. 1952, to the execution of this Agreement by the Commission as required by The Public Utilities Act, Revised Statutes of Ontario, 1950, Chapter 320, Section 41, subsection 5.

(16) This Agreement shall enure to the benefit of and be binding upon the Commission, the Township and Scarborough, their respective successors and assigns.

IN WITNESS WHEREOF the Commission, the Township and Scarborough have hereunto affixed their respective Corporate Seals under the hands of their proper Officers in that behalf.

SCHEDULE

THIS AGREEMENT made in triplicate this Twenty-second day of September, A.D. 1952.

BETWEEN:

THE PUBLIC UTILITIES COMMISSION OF THE TOWNSHIP OF SCARBOROUGH, hereinafter called the "Commission",

OF THE FIRST PART,

THE CORPORATION OF THE TOWNSHIP OF NORTH YORK, hereinafter called the "Township",

OF THE SECOND PART,

—and—

THE CORPORATION OF THE TOWNSHIP OF SCARBOROUGH, hereinafter called "Scarborough",

OF THE THIRD PART.

WHEREAS the Commission is constructing a new plant to increase the supply of water for the Township of Scarborough, and upon the completion of such new plant has agreed to supply a certain quantity of water to the Township upon the terms and conditions hereinafter set out;

AND WHEREAS the Commission has agreed to supply and the Township has agreed to buy a minimum of 1,000,000 Imperial gallons of water per day from the date of the completion of the new plant for a term of twenty years, with the right to the Township to apply to the Commission for an increase in the said supply as the need of the Township arises to a maximum of 2,000,000 Imperial gallons of water per day. The date of the completion of the plant is understood to be in the sole discretion of the Commission or its Engineers.

NOW THIS AGREEMENT WITNESSETH:

(1) The Township agrees to purchase and the Commission agrees to sell a minimum of 1,000,000 Imperial gallons of water per day up to a maximum of 2,000,000 Imperial gallons of water per day, at a maximum rate of flow of 2,000,000 Imperial gallons per day, for a period of twenty years from the date of the completion of the new plant hereinbefore referred to, as certified by the Commission's Consulting Engineers, Messrs. Proctor, Redfern and Laughlin, the Commission to deliver such water at points in the boundary between the Township and Scarborough to be agreed on by the Engineers of the Commission and the Township and set forth in Schedule "A" hereto.

(2) The Township agrees with the Commission that it will accept the delivery of such supply of water during the said term, the amount so delivered to be shown by recording meters hereinafter mentioned, and to be ascertained every calendar month during the said term, and the Township agrees that it will pay to the Commission seventeen cents for each one thousand gallons used during each such calendar month, provided, however, that if the Township shall pay such account to the Commission within fifteen days after the receipt of the same, the Township shall be entitled to deduct from each such account a discount at the rate of one cent per one thousand gallons, making a net rate in each such case of sixteen cents per one thousand gallons.

(3) The Township further agrees that it will pay to the Commission an additional three cents (3c.) per one thousand gallons, such additional amount is understood to be the payment to the Commission for the capital expenditure required to be made by the Commission for the increase in the

size of the pipe from twelve inches (12") to sixteen inches (16") in diameter on Lawrence Avenue between Warden and Victoria Park Avenues to serve the Township at the point on Lawrence Avenue set out in Schedule "A". Such payment will continue until the said capital expenditure, together with interest thereon at the rate charged for such financing by the Ontario Municipal Improvement Corporation, has been paid, at which time such additional payment shall cease.

(4) The Township agrees to maintain at the points of delivery from the Commission's mains to the Township proper recording meters, approved by the respective Engineers of the Township and the Commission, for the purpose of measuring the supply of water delivered to the Township, and to maintain meter houses, valves and all other apparatus necessary to furnish such supply, together with the cut-off or any other valves or apparatus which such Engineers may consider necessary. Such meters, meter houses and appliances are to be maintained in a good, sufficient and proper state of repair by the Township and replaced from time to time as may be necessary, all such cost to be borne by the Township. If any additional recording meters, meter houses, valves or other apparatus and adjuncts are, in the opinion of the respective Engineers, necessary to furnish such supply, the same shall be erected, installed and maintained by the Township, the cost of which is to be borne by the Township.

(5) It is agreed between the Commission and the Township that the meters provided for recording the quantity of water delivered to the Township shall be read at the end of every calendar month, and an account for water supplied during each such period shall, within five days after such reading, be furnished by the Commission to the Treasurer of the Township, and the Township COVENANTS and AGREES with the Commission that it will, during the term of this agreement, pay the Commission, on or before the twentieth day after receiving such account, for all such water supplied to it at the rates aforesaid, the minimum amount of such account to be for 1,000,000 Imperial gallons per day for each day covered by such account.

(6) In case any of the meters shall at any time be out of repair or out of order so that they will not properly measure the supply of water which is being received by the Township, then the Township shall pay for water supplied on the days during which any meter may be out of repair or out of order the same amount per day as the average for the next succeeding three days after any such meter shall have been again put in working order.

(7) The Township shall at all reasonable times allow the Engineer or other duly authorized agent of the Commission access to the meters, valves and appliances at the points of delivery for the purpose of inspection or shut-off, and shall at all reasonable times permit such Engineer or agent to inspect the meter readings showing the amount of water supplied to the Township.

(8) Nothing hereinbefore contained shall operate to prevent the Commission from shutting down its plant for the purpose of effecting necessary repairs or doing such reasonable work in connection with its system as would be considered proper in water works engineering practice, and in such cases no damage shall be recoverable against or from the Commission, but it is understood and agreed by and between the parties hereto that, if possible, notice of intention to close down the Commission's plant shall be given at least twelve hours before such action takes place, but no notice shall be required in case of emergency.

(9) In case the Township shall make default in payment of water supplied for the space of ten days after the time hereinbefore provided for payment, then after the expiration of seven days' notice in writing the Commission may, at its option, if default in payment shall still exist, discontinue the supply of water and keep the same shut off until such default has been cured, and in such case shall not be liable for damages, direct or indirect, which may be suffered by the Township, or any person, firm or corporation as a result of such discontinuance, but in case the Township shall serve notice upon the Commission that it refuses payment pending the settlement of any dispute which may arise between the Commission and the Township, then the Commission shall not discontinue the supply of water pending the settlement of such dispute as hereinafter provided.

(10) Any notice required to be given the Township pursuant to this agreement shall be sufficiently given if delivered personally to the Clerk of the Township, or deposited in Her Majesty's Post Office at Birch Cliff or the City of Toronto, addressed to the Clerk at the Township Offices.

(11) In every case where "gallons" is referred to in this agreement it shall be read as "Imperial gallons".

(12) Any difference arising between the Township and the Commission as to the construction of this agreement, or any matters relative thereto, or as to any sum of money to be paid by the Township to the Commission, shall be submitted to The Ontario Municipal Board by either party for settlement, and each party agrees to be bound by the findings of such Board in respect to each and every matter which may be so submitted to it.

(13) Wherever in this agreement the words "day" or "daily" are used in connection with the supply of water, such words shall have reference to a day of twenty-four hours computed from 10.00 a.m. one day to 10.00 a.m. of the following day.

(14) The Township covenants with the Commission:

- (a) That it will pay to the Commission all moneys to which the Commission is entitled, or may become entitled, for water supplied, or to be supplied, or any other matters pursuant to any agreement between the Commission and the Township.
- (b) That it will not use the water supplied by the Commission to the Township, or permit or allow such last mentioned water to be used in any air conditioning installations whatsoever, except only in those air conditioning installations where water is only used for make-up purposes and none is permitted to run to waste.
- (c) That it will erect in the Don Mills Road area an elevated steel storage tank with a capacity of at least 500,000 gallons when the material and labour for the same are available.

(15) Scarborough hereby consents, pursuant to a resolution of its Council passed on the Fifteenth day of September, A.D. 1952, to the execution of this Agreement by the Commission as required by The Public Utilities Act, Revised Statutes of Ontario, 1950, Chapter 320, Section 41, subsection 5.

(16) This Agreement shall enure to the benefit of and be binding upon the Commission, the Township and Scarborough, their respective successors and assigns.

IN WITNESS WHEREOF the Commission, the Township and Scarborough have hereunto affixed their respective Corporate Seals under the hands of their proper Officers in that behalf.

SCHEDULE

THIS AGREEMENT made in triplicate this Twenty-second day of September, A.D. 1952.

BETWEEN:

THE PUBLIC UTILITIES COMMISSION OF THE TOWNSHIP OF SCARBOROUGH, hereinafter called the "Commission",

OF THE FIRST PART,

THE CORPORATION OF THE TOWNSHIP OF NORTH YORK, hereinafter called the "Township",

OF THE SECOND PART,

—and—

THE CORPORATION OF THE TOWNSHIP OF SCARBOROUGH, hereinafter called "Scarborough",

OF THE THIRD PART.

WHEREAS the Commission is constructing a new plant to increase the supply of water for the Township of Scarborough, and upon the completion of such new plant has agreed to supply a certain quantity of water to the Township upon the terms and conditions hereinafter set out;

AND WHEREAS the Commission has agreed to supply and the Township has agreed to buy a minimum of 1,000,000 Imperial gallons of water per day from the date of the completion of the new plant for a term of twenty years, with the right to the Township to apply to the Commission for an increase in the said supply as the need of the Township arises to a maximum of 2,000,000 Imperial gallons of water per day. The date of the completion of the plant is understood to be in the sole discretion of the Commission or its Engineers.

NOW THIS AGREEMENT WITNESSETH:

(1) The Township agrees to purchase and the Commission agrees to sell a minimum of 1,000,000 Imperial gallons of water per day up to a maximum of 2,000,000 Imperial gallons of water per day, at a maximum rate of flow of 2,000,000 Imperial gallons per day, for a period of twenty years from the date of the completion of the new plant hereinbefore referred to, as certified by the Commission's Consulting Engineers, Messrs. Proctor, Redfern and Laughlin, the Commission to deliver such water at points in the boundary between the Township and Scarborough to be agreed on by the Engineers of the Commission and the Township and set forth in Schedule "A" hereto.

(2) The Township agrees with the Commission that it will accept the delivery of such supply of water during the said term, the amount so delivered to be shown by recording meters hereinafter mentioned, and to be ascertained every calendar month during the said term, and the Township agrees that it will pay to the Commission seventeen cents for each one thousand gallons used during each such calendar month, provided, however, that if the Township shall pay such account to the Commission within fifteen days after the receipt of the same, the Township shall be entitled to deduct from each such account a discount at the rate of one cent per one thousand gallons, making a net rate in each such case of sixteen cents per one thousand gallons.

(3) The Township further agrees that it will pay to the Commission an additional three cents (3c.) per one thousand gallons, such additional amount is understood to be the payment to the Commission for the capital expenditure required to be made by the Commission for the increase in the

size of the pipe from twelve inches (12") to sixteen inches (16") in diameter on Lawrence Avenue between Warden and Victoria Park Avenues to serve the Township at the point on Lawrence Avenue set out in Schedule "A". Such payment will continue until the said capital expenditure, together with interest thereon at the rate charged for such financing by the Ontario Municipal Improvement Corporation, has been paid, at which time such additional payment shall cease.

(4) The Township agrees to maintain at the points of delivery from the Commission's mains to the Township proper recording meters, approved by the respective Engineers of the Township and the Commission, for the purpose of measuring the supply of water delivered to the Township, and to maintain meter houses, valves and all other apparatus necessary to furnish such supply, together with the cut-off or any other valves or apparatus which such Engineers may consider necessary. Such meters, meter houses and appliances are to be maintained in a good, sufficient and proper state of repair by the Township and replaced from time to time as may be necessary, all such cost to be borne by the Township. If any additional recording meters, meter houses, valves or other apparatus and adjuncts are, in the opinion of the respective Engineers, necessary to furnish such supply, the same shall be erected, installed and maintained by the Township, the cost of which is to be borne by the Township.

(5) It is agreed between the Commission and the Township that the meters provided for recording the quantity of water delivered to the Township shall be read at the end of every calendar month, and an account for water supplied during each such period shall, within five days after such reading, be furnished by the Commission to the Treasurer of the Township, and the Township COVENANTS and AGREES with the Commission that it will, during the term of this agreement, pay the Commission, on or before the twentieth day after receiving such account, for all such water supplied to it at the rates aforesaid, the minimum amount of such account to be for 1,000,000 Imperial gallons per day for each day covered by such account.

(6) In case any of the meters shall at any time be out of repair or out of order so that they will not properly measure the supply of water which is being received by the Township, then the Township shall pay for water supplied on the days during which any meter may be out of repair or out of order the same amount per day as the average for the next succeeding three days after any such meter shall have been again put in working order.

(7) The Township shall at all reasonable times allow the Engineer or other duly authorized agent of the Commission access to the meters, valves and appliances at the points of delivery for the purpose of inspection or shut-off, and shall at all reasonable times permit such Engineer or agent to inspect the meter readings showing the amount of water supplied to the Township.

(8) Nothing hereinbefore contained shall operate to prevent the Commission from shutting down its plant for the purpose of effecting necessary repairs or doing such reasonable work in connection with its system as would be considered proper in water works engineering practice, and in such cases no damage shall be recoverable against or from the Commission, but it is understood and agreed by and between the parties hereto that, if possible, notice of intention to close down the Commission's plant shall be given at least twelve hours before such action takes place, but no notice shall be required in case of emergency.

(9) In case the Township shall make default in payment of water supplied for the space of ten days after the time hereinbefore provided for payment, then after the expiration of seven days' notice in writing the Commission may, at its option, if default in payment shall still exist, discontinue the supply of water and keep the same shut off until such default has been cured, and in such case shall not be liable for damages, direct or indirect, which may be suffered by the Township, or any person, firm or corporation as a result of such discontinuance, but in case the Township shall serve notice upon the Commission that it refuses payment pending the settlement of any dispute which may arise between the Commission and the Township, then the Commission shall not discontinue the supply of water pending the settlement of such dispute as hereinafter provided.

(10) Any notice required to be given the Township pursuant to this agreement shall be sufficiently given if delivered personally to the Clerk of the Township, or deposited in Her Majesty's Post Office at Birch Cliff or the City of Toronto, addressed to the Clerk at the Township Offices.

(11) In every case where "gallons" is referred to in this agreement it shall be read as "Imperial gallons".

(12) Any difference arising between the Township and the Commission as to the construction of this agreement, or any matters relative thereto, or as to any sum of money to be paid by the Township to the Commission, shall be submitted to The Ontario Municipal Board by either party for settlement, and each party agrees to be bound by the findings of such Board in respect to each and every matter which may be so submitted to it.

(13) Wherever in this agreement the words "day" or "daily" are used in connection with the supply of water, such words shall have reference to a day of twenty-four hours computed from 10.00 a.m. one day to 10.00 a.m. of the following day.

(14) The Township covenants with the Commission:

- (a) That it will pay to the Commission all moneys to which the Commission is entitled, or may become entitled, for water supplied, or to be supplied, or any other matters pursuant to any agreement between the Commission and the Township.
- (b) That it will not use the water supplied by the Commission to the Township, or permit or allow such last mentioned water to be used in any air conditioning installations whatsoever, except only in those air conditioning installations where water is only used for make-up purposes and none is permitted to run to waste.
- (c) That it will erect in the Don Mills Road area an elevated steel storage tank with a capacity of at least 500,000 gallons when the material and labour for the same are available.

(15) Scarborough hereby consents, pursuant to a resolution of its Council passed on the Fifteenth day of September, A.D. 1952, to the execution of this Agreement by the Commission as required by The Public Utilities Act, Revised Statutes of Ontario, 1950, Chapter 320, Section 41, subsection 5.

(16) This Agreement shall enure to the benefit of and be binding upon the Commission, the Township and Scarborough, their respective successors and assigns.

IN WITNESS WHEREOF the Commission, the Township and Scarborough have hereunto affixed their respective Corporate Seals under the hands of their proper Officers in that behalf.

EXPLANATORY NOTE

Division court clerks and bailiffs are entitled to retain \$6,000 of all gross fees earned by them and before January 1st, 1951, were required to pay to the Treasurer of Ontario 10 per cent of the excess of gross fees over \$6,000 and up to \$10,000 and 20 per cent of the excess over \$10,000. BILL

An Act to amend The Insurance Act

MR. PORTER

EXPLANATORY NOTES

SECTION 1. This provision will enable fire insurance contracts to cover the electrocution of live stock by means other than lightning. Now that farm buildings are commonly wired for electricity this extended coverage is frequently desirable.

SECTIONS 2 and 3. These sections divide the present section 117 of the Act into two sections, 117 and 117*a*, the latter of which deals with refunds from surplus. This is done for convenience of reference.

Section 117*a* is the same as the present subsections 5, 6 and 7 of section 117, except that the table appended to subsection 5 is enlarged.

This table sets out the minimum net surplus, in terms of cents per \$100 of net insurance in force, that farm mutual fire insurance companies (and hereafter weather insurance companies) must have after deducting the total amount of a refund to policyholders.

The two items are added to the table owing to the tremendous increase in the amounts at risk to-day compared with the time when the table was compiled.

An Act to amend The Mining Act

MR. KELLY

EXPLANATORY NOTES

SECTION 1. Heretofore the orders in council prohibiting mining operation near highways have varied from time to time as to the width of the prohibited area. The new section will unify the situation.

SECTION 2. Subsection 1. Self explanatory.

Subsection 2. At the present time leases of mining lands in provincial forests are issued for 10-year periods and they are renewable for 10-year periods. The rent charged on an original lease is \$1 an acre for the first year and 25 cents an acre for the next 9 years. The renewal rental is 10 cents an acre. In addition, the lands are subject to acreage tax under *The Mining Tax Act*. In order to simplify this situation and the accounting in connection with it, it is proposed to exempt these lands from the acreage tax and to increase the renewal rent to 25 cents an acre. The net result of these changes will be that a lessee will pay 10 cents an acre less for the first 10 years, but in succeeding years he will pay 5 cents an acre more than he does now.

SECTION 1—Subsection 1. The subsection as re-enacted contains these new features:

1. Mining locations and mining claims are sometimes divided and the parts owned by different persons. This fact is recognized by the insertion of the words "or part thereof" in the appropriate places.
2. Licences of occupation are deleted, thus exempting these licensees from the acreage tax. Henceforth they will be liable only for annual rental under *The Mining Act*.
3. The minimum tax, which is now \$1 in all cases, is increased to \$4 in the case of mining locations, etc., in territory without municipal organization.

BILL

An Act to amend The Mining Tax Act

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1.—(1) Subsection 1 of section 14 of *The Mining Tax Act* is repealed and the following substituted therefor:

- (b) all land in territory without municipal organization being held or used for mining purposes howsoever patented or alienated from the Crown;

amended (2) The said section 14 is further amended by adding thereto the following subsection:

Authority to avoid duplication of assessments

- (7) With a view to avoiding duplication of assessments to which an employer may be liable on the earnings of workmen who are employed part of the time in Ontario and part of the time in another province of Canada, the Board may make an agreement with the Workmen's Compensation Board or Commission of that province for such adjustment of assessments as is equitable and may reimburse such other Board or Commission for any payment of compensation, rehabilitation or medical aid made by it under such agreement.

Rev. Stat., c. 430, s. 9, amended

2. Section 9 of *The Workmen's Compensation Act* is amended by adding thereto the following subsection:

The new subsection 4*a* covers the case where the person having the election is an infant.

This amendment increases these payments as follows: Clause *a*—The monthly payment to a widow or invalid husband is increased from \$50 to \$75. Clause *b*—The monthly compensation to a widow or invalid husband with one or more children is increased from \$50 to \$75; children's monthly payments from \$12 to \$25 each, and the children's monthly payments on death of the widow are increased from \$20 to \$35 each. - (c) where the dependants are children, \$35 to each child, not exceeding in the whole \$150.

4. Section 3 applies only where the accident happens on or after the day this Act comes into force, and where the accident happened before that day the amount of the compensation shall be the same as if section 3 had not been passed.

5. This Act comes into force on the day it receives Royal Assent.

Subsection 3. Section 36(3) of the Act provides that the monthly compensation to dependants cannot in any case exceed the average monthly earnings of the deceased workman. **An Act to amend The Summary
Convictions Act**

MR. PORTER

EXPLANATORY NOTE

At the present time summonses for offences under *The Highway Traffic Act* must be served within 10 days of the alleged offence and where a mailed summons for such an offence is not answered, the second summons, which is served personally, must be served within 10 days of the date on which the person was to have appeared under the original summons.

Frequently 10 days is insufficient to allow police officers to complete the necessary investigations in time, thus necessitating magisterial extensions of these periods.

In order to facilitate the administration of justice these periods are extended to 15 days.

(5) Every summons issued for a violation of any of the provisions of *The Highway Traffic Act* shall be served by sending it by prepaid post or by personal service within fifteen days of the alleged violation. Time for service for violation of Rev. Stat., c. 167

BILL

An Act to amend The Liquor Control Act

MR. WELSH

EXPLANATORY NOTES

SECTION 1. The present definition of a Government store does not extend to a store operated by the Brewers' Warehousing Company Limited or to an Ontario wine store operated by an Ontario winery. For the purposes of greater clarity so far as the local option provisions of *The Liquor Licence Act* are concerned, it is desirable to include these two types of outlets in the definition of Government store.

SECTION 2. Clause *c* of section 9 of the Act gives power to the Board to determine the municipalities within which Government stores shall be established. As Government stores cannot be established in a dry municipality until a favourable vote is obtained, this amendment is made to bring this clause into line with the local option provisions of *The Liquor Licence Act*.

SECTION 3. Certain types of permits, such as banquet permits, are issued under *The Liquor Licence Act*. This amendment gives authorized officials power to administer and take affidavits, declarations, etc., in connection with these types of permits.

SECTION 4. This provision is intended to govern the sale of liquor under *The Liquor Control Act* only. Sales by licensees under *The Liquor Licence Act* are therefore excluded expressly.

BILL

An Act to amend The Liquor Control Act

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. Clause *e* of section 1 of *The Liquor Control Act* is repealed and the following substituted therefor: Rev. Stat., c. 210, s. 1, cl. *e*, re-enacted

(*e*) "Government store" means a store established or authorized under this Act by the Board for the sale of liquor, for the sale of Ontario wine only or for the sale of beer only, and includes a store of the Brewers' Warehousing Company Limited and a store of a producer of Ontario wine.

2. Clause *c* of section 9 of *The Liquor Control Act* is repealed and the following substituted therefor: Rev. Stat., c. 210, s. 9, cl. *c*, re-enacted

EXPLANATORY NOTES

SECTION 1. The present definition of a Government store does not extend to a store operated by the Brewers' Warehousing Company Limited or to an Ontario wine store operated by an Ontario winery. For the purposes of greater clarity so far as the local option provisions of *The Liquor Licence Act* are concerned, it is desirable to include these two types of outlets in the definition of Government store.

SECTION 2. Clause *c* of section 9 of the Act gives power to the Board to determine the municipalities within which Government stores shall be established. As Government stores cannot be established in a dry municipality until a favourable vote is obtained, this amendment is made to bring this clause into line with the local option provisions of *The Liquor Licence Act*.

SECTION 3. Certain types of permits, such as banquet permits, are issued under *The Liquor Licence Act*. This amendment gives authorized officials power to administer and take affidavits, declarations, etc., in connection with these types of permits.

SECTION 4. This provision is intended to govern the sale of liquor under *The Liquor Control Act* only. Sales by licensees under *The Liquor Licence Act* are therefore excluded expressly.

139. An appeal to the Court of Appeal against any decision of the judge under section 138 may be taken with leave of the Court of Appeal or a judge thereof on any ground that involves a question of law alone and the provisions of *The Summary Convictions Act* relating to appeals to the Court of Appeal shall apply *mutatis mutandis*.

BILL

**An Act to provide for the Federation of the
Municipalities in the Toronto Metropolitan
Area for Certain Financial and
Other Purposes**

MR. FROST

EXPLANATORY NOTES

GENERAL. This Bill implements, in large measure, the recommendations appended to the decision of the Ontario Municipal Board dated January 20th, 1953, with respect to the application of the City of Toronto for the amalgamation of the Township of East York, the Township of Etobicoke, the Village of Forest Hill, the Town of Leaside, the Village of Long Branch, the Town of Mimico, the Town of New Toronto, the Township of North York, the Township of Scarborough, the Village of Swansea, the City of Toronto, the Town of Weston and the Township of York, and the application of the Town of Mimico for the creation of an area for the joint administration of certain services in the same municipalities.

The Bill is divided into fifteen parts dealing with the various subject matters which are necessary to the functioning of the federation.

The Bill provides in substance for the federation for certain purposes of the thirteen municipalities in the Toronto area, but, except as provided in the Bill, all the powers of the local area municipalities are continued.

PART I. This Part provides for the incorporation of a new municipality to be known as The Municipality of Metropolitan Toronto, and provides for the establishment of its council which will be composed of the heads of the councils of all the area municipalities, two members of the board of control of the City of Toronto, and nine aldermen from the City of Toronto.

In the years 1953 and 1954 there will be an additional member appointed by the Lieutenant-Governor in Council who will be the chairman of the council. Thereafter the chairman will be elected by the Metropolitan Council at its first meeting in each year and the chairman may be either one of the members of the council or any other person.

Provision is made in this Part for the officers and the administrative machinery of the metropolitan municipality.

PART II. This Part provides for the transfer to the metropolitan municipality of all responsibility for the making of local assessments in the area on a uniform basis. This assessment will be the basis of taxation for both local and metropolitan purposes.

PART III. This Part authorizes and requires the metropolitan municipality to take over and operate all existing works in the area municipalities for the production and wholesale distribution of water to the area municipalities, and to assume all outstanding debt in respect of such works.

PART IV. This Part authorizes and requires the metropolitan municipality to establish a comprehensive sewage and drainage system for the entire Metropolitan Area, and to assume all outstanding debt of the area municipalities in respect of works assumed.

PART V. This Part authorizes the metropolitan municipality to establish a metropolitan road system substantially in the manner in which county systems are created.

It provides authority for new metropolitan highways as well as the assumption of existing major roads. Existing county and suburban roads within the limits of the Metropolitan Area are detached from the system operated by The Toronto and York Roads Commission, and all county roads in the remaining portion of the County are made suburban roads for the purposes of Part III of *The Highway Improvement Act*.

The present Toronto and York Roads Commission is continued, but provision is made for the appointment of new members by the County of York and the metropolitan municipality who will take office on January 1st, 1954.

PART VI. This Part dissolves the present Toronto Transportation Commission and creates a new Commission for the entire Metropolitan Area to be known as Toronto Transit Commission, to which are transferred all the powers and assets of the Toronto Transportation Commission.

The first members of the Commission will be the present three members of the Toronto Transportation Commission and two additional members appointed by the Metropolitan Council.

All debenture debt in connection with the Toronto Transportation Commission that is outstanding on January 1st, 1954, will become the responsibility of the new Commission and of the metropolitan municipality.

PART VII. This Part provides for the establishment of a Metropolitan School Board, on a basis similar to the establishment of the Metropolitan Council, composed of members of public and secondary school boards, with the usual separate school representation for secondary school purposes. Provision is made for the establishment of a single board of education in each of the Townships of Scarborough, North York and Etobicoke in the year 1954 and thereafter.

Separate school organization and separate school matters are not affected by the Bill.

The Metropolitan School Board is given authority to determine and pay maintenance assistance payments toward the cost of educating public elementary, academic secondary and vocational secondary school pupils. These payments will be provided from general legislative grants and from uniform levies against all the area municipalities. The amount of the maintenance assistance payment in respect of each class of pupil for the years 1954 and 1955 is fixed by the Bill and thereafter will be determined by the Metropolitan School Board.

The amount of the capital cost of new school accommodation which is eligible for legislative grants is required to be raised by metropolitan taxation. Local boards of education are given an ultimate right of appeal to the Municipal Board for permission to undertake capital projects.

Outstanding debenture indebtedness in the Metropolitan Area for public elementary and secondary school purposes will become the responsibility of the metropolitan municipality.

The Metropolitan School Board is given certain ancillary powers with respect to the transportation of pupils and the establishment of school attendance areas, etc.

PART VIII. This Part provides for the separation for municipal purposes of the twelve suburban municipalities from the County of York. The councils of these municipalities may continue to be composed as at present or may be changed by by-law in accordance with the Bill.

PART IX. The statutory obligations of the suburban municipalities with respect to homes for the aged, hospitalization of indigent patients, post-sanatorium care, maintenance of neglected children and similar matters is transferred from the County of York and the City of Toronto to the metropolitan municipality.

PART X. The metropolitan municipality is given the responsibility of a county for the establishment and maintenance of a court house and jail and the payment of the costs of administration of justice. The county of York is required to contribute its share of such expense, as determined by agreement or arbitration.

The metropolitan municipality is made one municipality for the purposes of *The Juvenile and Family Courts Act*.

The existing arrangements with respect to registry offices and land titles offices are continued and the suburban municipalities will contribute toward the cost of, and share in the revenues from, the Registry Office for the Registry Division of the East and West Riding of the County of York as if they were separated towns.

PART XI. The metropolitan municipality is given all the powers of a local municipality with respect to housing, redevelopment and joint arrangements with the Province and the Dominion for housing projects, but the area municipalities will continue to have their existing powers in respect of these matters.

PART XII. The Metropolitan Corporation is made a municipality for the purposes of *The Planning Act*, but the existing planning area and The Toronto and York Planning Board are continued, subject to the provisions of *The Planning Act*.

The official plan prepared by the area planning board will be submitted to the Metropolitan Council for its adoption and if adopted will be binding upon all the area municipalities in accordance with *The Planning Act*.

PART XIII. The metropolitan municipality is given power to establish a comprehensive metropolitan parks system.

PART XIV. The Metropolitan Corporation will be given responsibility for the financing by debentures of all the requirements of the area municipalities as well as those of the Metropolitan Corporation.

Area municipalities as at present will have the right to apply to the Municipal Board for approval of their undertakings and if approval is granted the Metropolitan Corporation will be required to issue debentures on their behalf.

The Metropolitan Council is given authority to make annual levies for its purposes against the area municipalities in a manner similar to that exercised by county councils.

The general provisions of *The Municipal Act* and other Acts relating to the issue of debentures and the making of temporary loans and other financial matters are incorporated in this Part.

PART XV. This Part contains miscellaneous powers and provisions necessary or incidental to the matters dealt with in the preceding parts of the Bill and provides for the making of necessary adjustments involved in the establishment of the new municipality.

The expenditures of the Metropolitan Corporation and the Metropolitan School Board during the year 1953 will be payable out of such moneys as are appropriated therefor by the Legislature.

BILL

An Act to provide for the Federation of the
Municipalities in the Toronto Metropolitan
Area for Certain Financial and
Other Purposes

MR. FROST

(Reprinted as amended by the Committee of the Whole House)

EXPLANATORY NOTES

GENERAL. This Bill implements, in large measure, the recommendations appended to the decision of the Ontario Municipal Board dated January 20th, 1953, with respect to the application of the City of Toronto for the amalgamation of the Township of East York, the Township of Etobicoke, the Village of Forest Hill, the Town of Leaside, the Village of Long Branch, the Town of Mimico, the Town of New Toronto, the Township of North York, the Township of Scarborough, the Village of Swansea, the City of Toronto, the Town of Weston and the Township of York, and the application of the Town of Mimico for the creation of an area for the joint administration of certain services in the same municipalities.

The Bill is divided into fifteen parts dealing with the various subject matters which are necessary to the functioning of the federation.

The Bill provides in substance for the federation for certain purposes of the thirteen municipalities in the Toronto area, but, except as provided in the Bill, all the powers of the local area municipalities are continued.

PART I. This Part provides for the incorporation of a new municipality to be known as The Municipality of Metropolitan Toronto, and provides for the establishment of its council which will be composed of the heads of the councils of all the area municipalities, two members of the board of control of the City of Toronto, and nine aldermen from the City of Toronto.

In the years 1953 and 1954 there will be an additional member appointed by the Lieutenant-Governor in Council who will be the chairman of the council. Thereafter the chairman will be elected by the Metropolitan Council at its first meeting in each year and the chairman may be either one of the members of the council or any other person.

Provision is made in this Part for the officers and the administrative machinery of the metropolitan municipality.

PART II. This Part provides for the transfer to the metropolitan municipality of all responsibility for the making of local assessments in the area on a uniform basis. This assessment will be the basis of taxation for both local and metropolitan purposes.

PART III. This Part authorizes and requires the metropolitan municipality to take over and operate all existing works in the area municipalities for the production and wholesale distribution of water to the area municipalities, and to assume all outstanding debt in respect of such works.

PART IV. This Part authorizes and requires the metropolitan municipality to establish a comprehensive sewage and drainage system for the entire Metropolitan Area, and to assume all outstanding debt of the area municipalities in respect of works assumed.

PART V. This Part authorizes the metropolitan municipality to establish a metropolitan road system substantially in the manner in which county systems are created.

It provides authority for new metropolitan highways as well as the assumption of existing major roads. Existing county and suburban roads within the limits of the Metropolitan Area are detached from the system operated by The Toronto and York Roads Commission, and all county roads in the remaining portion of the County are made suburban roads for the purposes of Part III of *The Highway Improvement Act*.

The present Toronto and York Roads Commission is continued, but provision is made for the appointment of new members by the County of York and the metropolitan municipality who will take office on January 1st, 1954.

PART VI. This Part dissolves the present Toronto Transportation Commission and creates a new Commission for the entire Metropolitan Area to be known as Toronto Transit Commission, to which are transferred all the powers and assets of the Toronto Transportation Commission.

The first members of the Commission will be the present three members of the Toronto Transportation Commission and two additional members appointed by the Metropolitan Council.

All debenture debt in connection with the Toronto Transportation Commission that is outstanding on January 1st, 1954, will become the responsibility of the new Commission and of the metropolitan municipality.

PART VII. This Part provides for the establishment of a Metropolitan School Board, on a basis similar to the establishment of the Metropolitan Council, composed of members of public and secondary school boards, with the usual separate school representation for secondary school purposes. Provision is made for the establishment of a single board of education in each of the Townships of Scarborough, North York and Etobicoke in the year 1954 and thereafter.

Separate school organization and separate school matters are not affected by the Bill.

The Metropolitan School Board is given authority to determine and pay maintenance assistance payments toward the cost of educating public elementary, academic secondary and vocational secondary school pupils. These payments will be provided from general legislative grants and from uniform levies against all the area municipalities. The amount of the maintenance assistance payment in respect of each class of pupil for the years 1954 and 1955 is fixed by the Bill and thereafter will be determined by the Metropolitan School Board.

The amount of the capital cost of new school accommodation which is eligible for legislative grants is required to be raised by metropolitan taxation. Local boards of education are given an ultimate right of appeal to the Municipal Board for permission to undertake capital projects.

Outstanding debenture indebtedness in the Metropolitan Area for public elementary and secondary school purposes will become the responsibility of the metropolitan municipality.

The Metropolitan School Board is given certain ancillary powers with respect to the transportation of pupils and the establishment of school attendance areas, etc.

PART VIII. This Part provides for the separation for municipal purposes of the twelve suburban municipalities from the County of York. The councils of these municipalities may continue to be composed as at present or may be changed by by-law in accordance with the Bill.

PART IX. The statutory obligations of the area municipalities with respect to homes for the aged, hospitalization of indigent patients, post-sanatorium care, maintenance of neglected children and similar matters is transferred from the County of York and the City of Toronto to the metropolitan municipality.

PART X. The metropolitan municipality is given the responsibility of a county for the establishment and maintenance of a court house and jail and the payment of the costs of administration of justice. The county of York is required to contribute its share of such expense, as determined by agreement or arbitration.

The metropolitan municipality is made one municipality for the purposes of *The Juvenile and Family Courts Act*.

The existing arrangements with respect to registry offices and land titles offices are continued and the suburban municipalities will contribute toward the cost of, and share in the revenues from, the Registry Office for the Registry Division of the East and West Riding of the County of York as if they were separated towns.

PART XI. The metropolitan municipality is given all the powers of a local municipality with respect to housing, redevelopment and joint arrangements with the Province and the Dominion for housing projects, but the area municipalities will continue to have their existing powers in respect of these matters.

PART XII. The Metropolitan Corporation is made a municipality for the purposes of *The Planning Act*, but the existing planning area and The Toronto and York Planning Board are continued, subject to the provisions of *The Planning Act*.

The official plan prepared by the area planning board will be submitted to the Metropolitan Council for its adoption and if adopted will be binding upon all the area municipalities in accordance with *The Planning Act*.

PART XIII. The metropolitan municipality is given power to establish a comprehensive metropolitan parks system.

PART XIV. The Metropolitan Corporation will be given responsibility for the financing by debentures of all the requirements of the area municipalities as well as those of the Metropolitan Corporation.

Area municipalities as at present will have the right to apply to the Municipal Board for approval of their undertakings and if approval is granted the Metropolitan Corporation will be required to issue debentures on their behalf.

The Metropolitan Council is given authority to make annual levies for its purposes against the area municipalities in a manner similar to that exercised by county councils.

The general provisions of *The Municipal Act* and other Acts relating to the issue of debentures and the making of temporary loans and other financial matters are incorporated in this Part.

PART XV. This Part contains miscellaneous powers and provisions necessary or incidental to the matters dealt with in the preceding parts of the Bill and provides for the making of necessary adjustments involved in the establishment of the new municipality.

The expenditures of the Metropolitan Corporation and the Metropolitan School Board during the year 1953 will be payable out of such moneys as are appropriated therefor by the Legislature.

Annual rates

(18) Where under the provisions of the by-law debentures issued thereunder are expressed and made payable in lawful money of the United States of America or of Great Britain, the Metropolitan Council may in such by-law or in any amending by-law, in lieu of providing for the raising in each year during the currency of the debentures specific sums sufficient to pay interest thereon or instalments of principal falling due in such year, provide that there shall be raised such yearly amount as may be necessary for the said purposes and as the requirements for such purposes may from year to year vary.

Board Act, 1951**

MR. DUNBAR

EXPLANATORY NOTES

The Greater Toronto Assessment Board Act, 1951 provides that upon the issue of a Proclamation before the 15th day of December in any year the assessment roll in each area municipality designated in the Proclamation shall be prepared in the following year under the direction and control of the Greater Toronto Assessment Board.

Amendments are made to sections 3, 11, 13 and 14 of the Act so that the assessment rolls in all thirteen area municipalities shall be prepared in 1953 under the direction and control of the Greater Toronto Assessment Board without the necessity of a Proclamation. (Sections 1, 2, 3 and 4 of the Bill.)

In addition, any by-law of an area municipality providing for taking the assessment of business in the year on which the rates of taxation thereon are to be levied is repealed as of January 1st, 1954, and provision is made for the taking of business assessment together with the real property assessment under the direction and control of the Board for 1954 taxation. (Sections 2 and 6(2) of the Bill.)

Section 15 of the Act is amended by providing for the fixing of different dates by the Lieutenant-Governor in Council for the return of assessment rolls that are returned by wards, division of wards or groups of polling subdivisions. (Section 5 of the Bill.)

Subsection 4 of section 16 is amended to provide that a member of a court of revision of an area municipality may be appointed to a court of revision constituted by the Lieutenant-Governor in Council under this Act. (Section 6(1) of the Bill.)

A large number of the area municipalities do not presently follow the provisions of *The Assessment Act* with respect to the preparation of the assessment roll by streets and street numbers or concession and lot numbers. It will be impossible in all instances to correct this practice during 1953 and authority to continue the existing practice in this respect is contained in section 7 of the Bill.
